Booboos Dream:

Dream New Dreams Jai Pausch, 2012-05-15 A remarkably frank deeply moving and inspiring memoir by Jai Pausch whose husband Randy wrote the bestseller *The Last Lecture* while battling pancreatic cancer Jai is such a giver that she often forgets to take care of herself Randy Pausch wrote about his wife Jai knows that she ll have to give herself permission to make herself a priority In *Dream New Dreams* Jai Pausch shares her own story for the first time her emotional journey from wife and mother to full time caregiver shuttling between her three young children and Randy s bedside as he sought treatment far from home and then to widow and single parent fighting to preserve a sense of stability for her family while coping with her own grief and the challenges of running a household without a partner Jai paints a vivid honest portrait of a vital challenging relationship between two strong people who faced a grim prognosis and the self sacrificing decisions it often required As she faced life without the husband she called her magic man Jai learned to make herself a priority to create a new life of hope and happiness as she puts it to feel a spark of my own magic beginning to flicker *Dream New Dreams* is a powerful story of grief healing and newfound independence With advice artfully woven into an intimate beautifully written narrative Jai s story will inspire not only the legions of readers who made *The Last Lecture* a bestseller but also those who are embarking on a journey of loss and renewal themselves
