Ladies of the Manor Pamela Horn,2014-09-15 The real lives of women in Britain s country houses **Nanny Knows**

Best Katherine Holden,2013-09-01 Not quite part of the family and more than just an employee idealised and demonised the nanny has always had a difficult role in family life Any discussion of nannies arouses strong emotions in those who have employed them and reveals a sometimes shocking range of experiences both for the nannies and for the children they looked after Winston Churchill as a child rarely saw his mother and idolized his nanny paying for fresh flowers to be maintained on her grave and keeping her portrait by his bedside till he died A nanny to the one of the principal landowning families in Dorset nearly starved their treasured heir to death while a Suffolk nanny found parting from one of her charges so traumatic that she suffered a mental breakdown This book weaves personal stories viewed through the eyes of nannies mothers and children into a fascinating cultural history of the iconic British nanny Katherine Holden goes beyond the myths to discover where our tradition of employing nannies comes from and to explore the ways in which it has and has not changed over the past century From the Norland Nannies method and the magical Mary Poppins to the terrifying breach of trust in films The Nanny and The Hand that Rocks the Cradle to today s child tamer Supernanny our culture has alternately welcomed and rejected this approach to child care The tales told in this history reach to the heart of the nanny dilemma that parents still struggle with today

Mother Is a Verb Sarah Knott,2019-04-02 Welcome to a work of history unlike any other Mothering is as old as human existence But how has this most essential experience changed over time and cultures What is the history of maternity the history of pregnancy birth the encounter with an infant Can one capture the historical trail of mothers How In Mother Is a Verb the historian Sarah Knott creates a genre all her own in order to craft a new kind of historical interpretation Blending memoir and history and building from anecdote her book brings the past and the present viscerally alive It is at once intimate and expansive lyrical and precise As a history Mother Is a Verb draws on the terrain of Britain and North America from the seventeenth century to the close of the twentieth Knott searches among a range of past societies from those of Cree and Ojibwe women to tenant farmers in Appalachia from enslaved people on South Carolina rice plantations to tenement dwellers in New York City and London s East End She pores over diaries letters court records medical manuals items of clothing And she explores and documents her own experiences As a memoir Mother Is a Verb becomes a method of asking new questions and probing lost pasts in order to historicize the smallest even the most mundane of human experiences Is there a history to interruption to the sound of an infant s cry to sleeplessness Knott finds answers not through the telling of grand narratives but through the painstaking accumulation of a trellis of anecdotes And all the while we can feel the child on her hip

The Country House Servant Pamela A Sambrook,2002-05-13 One 19th century footman complained about the work involved in drawing more than 40 baths for his household yet Lady Grenville felt no

compunction in describing her footman as a lazy flunkey For centuries a large body of domestic servants was an often unappreciated foundation for the smooth running of a household Today the warrens of domestic offices intrigue visitors This book makes sense of these and the social structures behind them It describes the skills equipment cleaning methods and work organization of the housemaid laundrymaid footman valet and hall boy the servants who spent their days polishing fine furniture and washing brilliant chandeliers but also sponging filthy riding habits and washing babies nappies The author also looks at how servants spent their leisure time One footman enjoyed rowing on the lake every morning before work while others had to sit up late at night sewing their own work dresses Contemporary manuals diaries accounts and first hand recollections provide a vivid insight into what life was really like for those in domestic service A wealth of photographs engravings and panels illustrate the domestic workings of country houses many now looked after by the National Trust This is an absorbing book for social historians and visitors to country houses alike *Agatha Christie* Gillian Gill,2016-12-08 In this sensitive and revealing biography of Agatha Christie Gillian Gill probes the mysterious private life and motivations of one of the bestselling authors of all time and discovers a brilliant and eccentric woman whose passionate search for success was balanced by an obsession with privacy The break up of Agatha s first marriage to Archibald Christie and her subsequent ten day disappearance had made headline news Feeling hunted and wounded by the press Christie determined never again to let them into her private life Instead she developed a public persona seemingly tongue tied and dull which ensured the journalists and the public would let her be This successful strategy helped to account for a happy second marriage and family life as well as an astonishing literary productivity Skillfully weaving the details of Christie s life with the plots and characters of her mystery novels Gillian Gill uncovers the flesh and blood woman behind the popular and celebrated Marple like image and establishes Agatha Christie as a unique and determined person whose fictional creations sparked the imagination of millions around the world **Mistress** Anthony Fletcher,Ruth M. Larsen,2025-08-05 An insightful hugely engaging new history of elite women and the country house from the sixteenth to the twentieth century Grand houses can be found across the countryside of England and Wales From the Stuart and Georgian periods to the Edwardian and Victorian these buildings were once home to the aristocratic families of the nation But what was life like for the mistresses of these great houses How much power and influence did they really have Anthony Fletcher and Ruth M Larsen explore the lives of country house mistresses Focusing on eighteen women and spanning five centuries they look at the ways in which elite women not only shaped the house household and family but also had an impact on society culture and politics within their estates and beyond We meet Brilliana Harley who defended her castle at Brampton Bryan Frances Boscawen who oversaw the building of Hatchlands and Lady Mary Elcho who preserved her secret life as mistress to Arthur Balfour This is a fascinating account of the country house that puts women s experiences centre stage **The Thomas Hardy Journal** ,1999 **Servants: A Downstairs History of Britain from the Nineteenth Century to Modern Times** Lucy Lethbridge,2013-11-18 A New

York Times Book Review Editor's Choice Beautifully written sparkling with insight and a pleasure to read *Servants* is social history at its most humane and perceptive Paul Addison Times Literary Supplement From the immense staff running a lavish Edwardian estate to the lonely maid of all work cooking in a cramped middle class house domestics were an essential yet unobtrusive part of the British hierarchy for much of the past century required to tread softly and blend into the background Lucy Lethbridge's *Servants* gives them a voice in this discerning portrait of the complex relationship between the server the served and the world they lived in opening a window on British society from the Edwardian period to the present

Eventually, you will totally discover a supplementary experience and talent by spending more cash. nevertheless when? complete you admit that you require to acquire those all needs following having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will guide you to comprehend even more going on for the globe, experience, some places, as soon as history, amusement, and a lot more?

It is your entirely own period to perform reviewing habit. among guides you could enjoy now is **A Kingston Lacy Childhood Reminiscences Of Viola Bankes** below.
