A Leak In The Heart Tales From A Womans Life:

A Leak in the Heart Faye Moskowitz,1987 *Writing Our Lives* Steven Joel Rubin,1991 Twenty eight selections from the writings of some of the best known American Jewish novelists dramatists critics and historians span the social and cultural history of American Jews in the twentieth century Often joyous occasionally tragic they provide a fascinating record from immigration to assimilation from life in the ghetto to the current movement by many to recapture their Jewish identity At once personal and historical the selections are poignant and moving testimonies to the perseverance of the American Jewish people *My Mother, My Mirror* Laura Fuerstein,2009-04-02 In *My Mother My Mirror* an experienced psychotherapist explores how mothers unwittingly pass on their self esteem and body image issues to their daughters and shows readers how they can break the cycle This book encourages the reader to understand and forgive her mother and build both a stronger sense of self and a stronger relationship with her mother Patient Listening Loreen Herwaldt,2017-01-01 From the fictional portrayal of Dr Gregory House to Jerome Groopman s bestseller *How Doctors Think* both medical professionals and the general public recognize that there is more to the doctor s job than technical practice Yet why do so many patients come away from their doctors offices feeling dissatisfied with their interactions In this welcome addition to the growing field of narrative medicine physician Loreen Herwaldt uses the illness narratives of two dozen writer patients to teach listening skills to medical students residents physicians and other health care providers Herwaldt skillfully pares each narrative down to its most basic elements rendering them into powerful found poems that she has used successfully in her role as a teacher and in her own practice Drawing from narratives by writers who are both emerging and well known including Oliver Sacks Richard Selzer and Mary Swander each poem reveals the experience of illness and treatment from the patient s perspective *Patient Listening* includes a detailed general introduction and a how to guide that will prove invaluable in the classroom and in clinical practice This book will inspire thoughtfulness in everyone who reads it It is also designed to foster discussions about all aspects of the patient experience from ethics to stigmatization to health insurance *Patient Listening* is not just about bedside manner but also about how health care providers can gain the most from their interactions with patients and in turn offer more appropriate treatments develop more cooperative and responsive relationships with their patients and thus become better doctors **Women and Aging** Jo Alexander,1986 First and best anthology to address ageism from a feminist perspective **Jewish Life in Small-Town America** Lee Shai Weissbach,2008-10-01 In this book Lee Shai Weissbach offers the first comprehensive portrait of small town Jewish life in America Exploring the history of communities of 100 to 1000 Jews the book focuses on the years from the mid nineteenth century to World War II Weissbach examines the dynamics of 490 communities across the United States and reveals that smaller Jewish centers were not simply miniature versions of larger communities but were instead alternative kinds of communities in many respects The book investigates topics ranging from migration patterns to occupational choices from Jewish education and marriage strategies to congregational

organization The story of smaller Jewish communities attests to the richness and complexity of American Jewish history and also serves to remind us of the diversity of small town society in times past *Matzo Balls for Breakfast and Other Memories of Growing Up Jewish* Alan King, 2007-11-01 Alan King the beloved comic actor producer author philanthropist and storyteller extraordinaire has compiled a wonderfully readable book about growing up Jewish with totally original contributions by famous people Combining warmhearted humor with a prideful nostalgia these essays discuss life in the Jewish family and neighborhood being a Jew in a non Jewish world Jewish holidays and discovering the essence of being Jewish *Follow My Footprints* Sylvia Barack Fishman, 1992 This anthology focuses on women in Jewish fiction and presents a vivid panorama of Jewish life in the United States over the past one hundred years **Women's Health, Politics, and Power** Elizabeth Fee, Nancy Krieger, 2020-11-26 This collection of essays addresses the broadening array of issues on the agenda of the women s health movements of the 1980s and 1990s just as a previous collection *Women and Health The Politics of Sex in Medicine* gathered contributions from the earlier wave of the women s health movement in the 1970s The papers in both volumes are selected from the *International Journal of Health Services* edited by Vicente Navarro The essays in this volume were originally published in the 1980s and early 1990s Together they present a framework for understanding the struggles over women s health that have occurred in this time period and provide specific analyses of women s health in relation to race ethnicity and class the work of health care the health of women workers international reproductive health sexuality AIDS and public health policy **AIDS** Nancy Krieger, Glen Margo, 2020-11-27 In one short decade the politics of AIDS has become the politics of survival In a world whose social order is changing before our eyes AIDS insistently brings new meaning to the age old question of what it is we must do to survive as individuals as families as communities as nations as members of an interdependent world This book brings together a collection of articles that frankly discuss what it will take to stop the AIDS epidemic and deal with the devastation it has already wrought
