A Letter To A Friend Commentary Letters Poetry:

A Letter to a Friend Zakiya, 2004-08-01 This book is fiction and very erotic based on facts in life some of which I have witnessed some of which I have observed It is based on life's experiences and fantasies It tells of sexual torture and humiliation The pain and enjoyment of such sex The craving for sex in all its forms in or out of partnerships Jim and Sarah the main characters of the story tell of how they became involved in sexual blackmail through Jim's previous sexual experiences They got their sexual satisfaction by associating with members of the same sex as well as the opposite sex and by public exhibition Charles their friend is asked to help them out How he becomes involved with them and those in higher places is fascinating There is the usual villain a sinister and sadistic Chinese old man who tries to use blackmail to intimidate people and subject them to his lust for power over other human beings Charles's deceased wife tries to show him the way forward by planting thoughts in his mind and appearing before him in the form of visions An erotic and fantasised story for those with such interests take it to bed with you

The Selected Letters of Robert Creeley Robert Creeley, 2014-01-17 Robert Creeley is one of the most celebrated and influential of the postwar American poets His Selected Letters covering the years 1945-2005 are a foundational document in the recent history of North American letters Through his engagements with mentors such as William Carlos Williams and Ezra Pound peers such as Charles Olson Robert Duncan Denise Levertov Allen Ginsberg and Jack Kerouac and mentees such as Charles Bernstein Anselm Berrigan Ed Dorn Susan Howe and Tom Raworth Creeley helped forge a new poetry that reimagined writing for his and subsequent generations A stylist of the highest order Creeley's letters carry the clear mark of consummate literary artistry and document the life work and times of one of our greatest writers

Emily Dickinson, a Poet's Grammar Cristanne Miller, 1987 In this inventive work on Emily Dickinson's poetry Cristanne Miller traces the roots of Dickinson's unusual compressed ungrammatical and richly ambiguous style finding them in sources as different as the New Testament and the daily patterns of women's speech Dickinson writes as she does both because she is steeped in the great patriarchal texts of her culture from the Bible and hymns to Herbert's poetry and Emerson's prose and because she is conscious of writing as a woman in an age and culture that assume great and serious poets are male Miller observes that Dickinson's language deviates from normal construction along definable and consistent lines consequently it lends itself to the categorical analysis of an interpretive grammar such as the one she has constructed in this book In order to facilitate the reading of Dickinson's poems and to reveal the values and assumptions behind the poet's manipulations of language Miller examines in this grammar how specific elements of the poet's style tend to function in various contexts Because many especially modernist poets use some of the same techniques the grammar throws light on the poetic syntax of other writers as well In the course of her analysis Miller draws not only on traditional historical and linguistic sources but also on current sociolinguistic studies of gender and speech and on feminist descriptions of women's writing Dickinson's language she concludes could almost have been designed as a model for twentieth century
