A Fire in Their Hearts Tony Michels, 2009-04-15 In a compelling history of the Jewish community in New York during four decades of mass immigration Tony Michels examines the defining role of the Yiddish socialist movement in the American Jewish experience The movement founded in the 1880s was dominated by Russian speaking intellectuals including Abraham Cahan Mikhail Zametkin and Chaim Zhitlovsky Socialist leaders quickly found Yiddish essential to convey their message to the Jewish immigrant community and they developed a remarkable public culture through lectures and social events workers education societies Yiddish schools and a press that found its strongest voice in the mass circulation newspaper Forverts Arguing against the view that socialism and Yiddish culture arrived as Old World holdovers Michels demonstrates that they arose in New York in response to local conditions and thrived not despite Americanization but because of it And the influence of the movement swirled far beyond the Lower East Side to a transnational culture in which individuals ideas and institutions crossed the Atlantic New York Jews in the beginning exported Yiddish socialism to Russia not the other way around The Yiddish socialist movement shaped Jewish communities across the United States well into the twentieth century and left an important political legacy that extends to the rise of neoconservatism A story of hopeful successes and bitter disappointments A Fire in Their Hearts brings to vivid life this formative period for American Jews and the American left

A Question of Tradition Kathryn Hellerstein, 2014-07-23 In A Question of Tradition Kathryn Hellerstein explores the roles that women poets played in forming a modern Yiddish literary tradition Women who wrote in Yiddish go largely unrecognized outside a rapidly diminishing Yiddish readership Even in the

heyday of Yiddish literature they were regarded as marginal But for over four centuries women wrote and published Yiddish poems that addressed the crises of Jewish history from the plague to the Holocaust as well as the challenges and pleasures of daily life prayer art friendship nature family and love Through close readings and translations of poems of eighteen writers Hellerstein argues for a new perspective on a tradition of women Yiddish poets Framed by a consideration of Ezra Korman s 1928 anthology of women poets Hellerstein develops a discussion of poetry that extends from the sixteenth century through the twentieth from early modern Prague and Krakow to high modernist Warsaw New York and California The poems range from early conventional devotions such as a printer s preface and verse prayers to experimental transgressive lyrics that confront a modern ambivalence toward Judaism In an integrated study of literary and cultural history Hellerstein shows the immensely important contribution made by women poets to Jewish literary tradition
