A Lonely Minority The Modern Story Of Egypt's Copts

Jacob M. Landau

A Lonely Minority The Modern Story Of Egypts Copts:

A Lonely Minority Edward Wakin, 1984 **From the 1919 Revolution to the 2011 Arab Spring** Uzi Rabi, Mira Tzoreff, 2024-05-08 Focused on three Egyptian revolutions in 1919 1952 and 2011 this edited book argues that each of these revolutions is a milestone which represents a meaningful turning point in modern Egyptian history Revolutions are typically characterized by a fundamental change in political and social infrastructures as well as in the establishment of new values and norms However it should be noted that this may not be entirely applicable when examining the context of the three Egyptian revolutions the 1919 revolution failed to liberate Egypt from British colonial hegemony the 1952 revolution failed to rework the country s social and economic systems and unify the Arab world and the Arab Spring revolution of 2011 culminated in a chaotic economic and social catastrophe thus failing to solve the young generation s crisis Nevertheless by revisiting and re defining these revolutions through diverse theoretical frameworks the book proposes that each of them played a significant role in shaping Egypt s political social and cultural identity This book is specifically of interest for students historians and social scientists with a keen interest in Egyptian history and the Middle East offering fresh perspectives and insights into these transformative moments in Egypt s history **The Egyptian Revolution of 1919** H.A. Hellyer, Robert Springborg, 2022-08-11 The 1919 Egyptian revolution was the founding event for modern Egypt s nation state So far there has been no text that looks at the causes consequences and legacies of the 1919 Egyptian Revolution This book addresses that gap with Egyptian and non Egyptian scholars discussing a range of topics that link back to that crucial event in Egyptian history Across nine chapters the book analyzes the causes and course of the 1919 revolution its impacts on subsequent political beliefs practices and institutions and its continuing legacy as a means of regime legitimization The chapters reveal that the 1919 Egyptian Revolution divided the British while uniting Egyptians However the revolutionary moment was superseded by efforts to restore Britain s influence in league with a reassertion of monarchical authority Those efforts enjoyed tactical but not long term strategic success in part because the 1919 revolution had unleashed nationalist forces that could never again be completely contained The book covers key issues surrounding the 1919 Egyptian Revolution such as the role played by Lord Allenby internal schisms within the British government struggling to cope with the revolution Muslim Christian relations and divisions among the Egyptians Egypt, a Country Study Richard F. Nyrop, 1983 General study of Egypt covers history demographic aspects and geographical aspects social structure minority groups religious practices education health the economy agricultural sector agrarian reform industrial sector banking trade government politics international relations military service defence administration of justice includes texts of peace treaties with Israel Bibliography glossary maps organigram photographs statistical tables **Middle Eastern Themes** Jacob M. Landau, 2015-07-24 This volume first published in 1973 brings together a wide range of Professor Landau s work on recent Middle Eastern history and politics reflecting the breadth of the author s concern and research The first section deals with

aspects of political organisation in the Middle East largely Egypt towards the end of the nineteenth century A little known plan of the Islamic reformer al Afghani is discussed showing him in a rather more political light than the religious haze which normally surrounds this pan Islamic campaigner The role of the influential secret societies in modern Egypt is outlined and the politics behind the fluctuations in the degree of responsibility allowed to Egyptian ministers is examined This section is concluded by a chapter on two proposals for the establishment of a Jewish homeland in the Sudan in the early days of Zionism throwing interesting light on the differing aims of early Zionists and alternative historical paths that might have been taken The second section of the book contains studies on the Jewish situation in nineteenth century Egypt focusing on their position within the larger Muslim society and on socio economic factors as well as on the career of James Sanua Abu Naddara an Egyptian Jew who played a prominent part in nationalist agitation The two final parts of the book turn to recent and contemporary electoral politics in the Middle East with special attention being paid to the political leadership and voting behaviour of the Arabs in Israel Other studies deal with elections in Lebanon and Turkey and the final chapter analyses the militant right wing elements in the Turkish political spectrum

Multiculturalism and Democracy in North Africa

Moha Ennaji, 2014-04-16 Investigating the connections between multiculturalism minorities citizenship and democracy in North Africa this book argues that multiculturalism in this region and in the Arab world at large has reached a significant level in terms of scale and importance In the rest of the world there has been a trend albeit a contested one toward a greater recognition of minority rights The Arab world however particularly North Africa seems to be an exception to this trend as Arab states continue to promote highly unitary and homogenizing ideas of nationhood and state unity whilst discouraging or even forbidding minority political mobilization The central theoretical premise of this book is that North Africa is a multicultural region where culture is inherently linked to politics religion gender and society and a place where democracy is gradually taking root despite many political and economic hurdles Addressing the lacuna in literature on this issue this book opens new avenues of thought and research on diversity linking policy based on cultural difference to democratic culture and to social justice Multiculturalism and Democracy in North Africa will be of use to students and researchers with an interest in Sociology Cultural Studies and Political Science more broadly

A History of Christianity in Africa Elizabeth

Isichei, 1995 Isichei's thorough study surveys the full breadth of Christianity in Africa from the early story of Egyptian Christianity to the churches of the Middle Years 1500 1800 to the prolific success of missions throughout the 1900s This important book fills a conspicuous void of scholarly works on Africa's Christian history Includes 26 maps

Two Thousand Years of Coptic Christianity Otto F. A. Meinardus, 2002 Looks at the history traditions theology and structure of the ancient and modern churches and monasteries

Labor Law and Practice in the United Arab Republic (Egypt). Joan Clarke, United States. Bureau of Labor Statistics, 1965 Labour legislation labour administration labour standards wages collective agreements labour relations trade unions labour force and employment social security etc In Egypt Tables and

charts Bibliography pp 93 100 **The Coptic Christian Heritage** Lois M. Farag, 2013-10-23 This book offers a comprehensive introduction to the heritage of Coptic Christians The contributors combine academic expertise with intimate and practical knowledge of the Coptic Orthodox Church and Coptic heritage The chapters explore historical cultural literary and material aspects including the history of Christianity in Egypt from the pre Christian era to the modern day Coptic religious culture theology monasticism spirituality liturgy and music the Coptic language linguistic expressions of the Coptic heritage and literary production in Greek Coptic and Arabic material culture and artistic expression of the Copts from icons mosaics and frescos to manuscript illuminations woodwork and textiles Students will find The Coptic Christian Heritage an invaluable introduction whilst scholars will find its breadth provides a helpful context for specialised research
