A History Of Hertfordshire

William Page

A History Of Hertfordshire:

A History of Hertfordshire Tony Rook, 1984 **A History of Hoddesdon in the County of Hertfordshire. Being a Survey of that Hamlet from the Earliest Times, with an Account of Its Ancient Manors and Its Inhabitants** J. A. Tregelles, 1908 *History of Hertfordshire* John Edwin Cussans, 1881 *Hertfordshire in History* Doris Jones-Baker, 2004

This collection of essays offers a historical glimpse into the lives and happenings in Hertfordshire from the 13th century to the present. Topics range from graffiti evidence of medieval music, King James's connections with Hertfordshire settlements in the Connecticut Valley, art traditions in the 19th century and the history of Christ's Hospital. This compilation was designed to honor Lionel Munby, one of Hertfordshire's leading 20th century historians. *A History of Hoddesdon in the County of Hertfordshire* J. A. Tregelles, 1908 **A History of Royston, Hertfordshire** Alfred Kingston, 1906 *Hertfordshire Garden History* Anne Rowe, 2007. This volume contains original research into aspects of garden history in Hertfordshire.

Hertfordshire Garden History Volume 2 Deborah Spring, 2012. This second volume of Hertfordshire garden history considers how Hertfordshire's historic parks and gardens have been influenced by and reflect the social and economic history of their time. Beginning with the hunting parks and Renaissance gardens of the Bacons, Cecils and Capels in the 16th and 17th centuries and their gradual replacement by designed landscapes, this book shows how in Hertfordshire individuals have long sought greater space and comfort within easy reach of the capital London. With examples from both well known and less visible or vanished gardens from the past 500 years, it is sure to delight garden enthusiasts. **Watford: A History** Mary Forsyth, 2015-10-05. This volume explores the history of Watford from the earliest times to the 1970s. Set against a background of some of the major events in English history, it tells the story of how a small medieval settlement became the town we see today. Drawing on thirty years of research, Mary Forsyth provides a fascinating insight into the changing face of the town, the local characters who inspired and instigated its transformation and the national events that shaped its development through the ages. Illustrated with selected images from Watford Museum and the author's own collection, it will interest newcomers and local residents alike celebrating the history of this major Hertfordshire town. *The Victoria history of the county of Hertford* William Page, 1902-01-01.
