A Jest Of God New Canadian Library:

A Jest of God Margaret Laurence, 2010-04-30 In this celebrated novel Margaret Laurence writes with grace power and deep compassion about Rachel Cameron a woman struggling to come to terms with love with death with herself and her world Trapped in a milieu of deceit and pettiness her own and that of others Rachel longs for love and contact with another human being who shares her rebellious spirit Through her summer affair with Nick Kazlik a schoolmate from earlier years she learns at last to reach out to another person and to make herself vulnerable *A Jest of God* won the Governor General s Award for 1966 and was released as the successful film *Rachel Rachel* The novel stands as a poignant and singularly enduring work by one of the world s most distinguished authors

New Canadian Library Janet Friskney, 2015-05-07 In the mid 1950s much Canadian literature was out of print making it relatively inaccessible to readers including those studying the subject in schools and universities When English professor Malcolm Ross approached Toronto publisher Jack McClelland in 1952 to propose a Canadian literary reprint series it was still the accepted wisdom among publishers that Canadian literature was of insufficient interest to the educational market to merit any great publishing risks Eventually convinced by Ross that a latent market for Canadian literary reprints did indeed exist McClelland Stewart launched the New Canadian Library NCL series in 1958 with Ross as its general editor In 2008 the NCL will celebrate a half century of publication In *New Canadian Library* Janet B Friskney takes the reader through the early history of the NCL series focusing on the period up to 1978 when Malcolm Ross retired as general editor A wealth of archival resources published reviews and the NCL volumes themselves are used to survey the working relationship between Ross and McClelland as well as the collaborative participation of those who through the middle decades of the twentieth century were committed to studying and nurturing Canada s literary heritage To place the New Canadian Library in its proper historical context Friskney examines the simultaneous development of Canadian literary studies as a legitimate area of research and teaching in academe and acknowledges the NCL as a milestone in Canadian publishing history

Canadian Books in Print. Author and Title Index, 1975

Major Canadian Authors David Stouck, 1988-01-01 Canadian literature in English presents a wealth of imaginative experience that belies the colonial status sometimes accorded the world s second largest country This revised and expanded edition of *Major Canadian Authors* provides an entrance into that realm Stouck s carefully integrated essays introduce the life and writings of eighteen foremost Canadian authors including Robertson Davies Margaret Laurence Sinclair Ross and Alice Munro The second edition adds a new chapter on Margaret Atwood updates the text and expands the reference guide to include more than sixty Canadian authors

The Canadian Novel John Moss, 1983-02 A collection of essays about contemporary Canadian novels by Margaret Atwood Robertson Davies Margaret Laurence Alice Munro Mordechai Richler Rudy Weibe as edited by professor of English at the University of Ottawa John Moss

Challenging Territory Christian Riegel, 1997-05 In a postmodern and postcolonial age how do we approach the writing of Margaret

Laurence Challenging Territory demands of the reader a re evaluation of the basic assumptions that underlie their understanding of Laurence's life and writing by addressing the full range of her writing Laurence is presented as Canadian colonial and postcolonial subject as feminist humanist and political active individual and as essayist translator journalist memoir writer and fiction writer The essays stake out a critical territory as well as offer a challenge to territory previously mapped by the criticism in addition to charting critical space never before traced

A Native Heritage Leslie Monkman, 1981-12-15 Disparity and division in religion technology and ideology have characterized relations between English Canadian and Indian cultures through out Canada's history From the earliest declaration of white territorial ownership to the current debate on aboriginal rights red man and white man have had opposing principles and perspectives The most common solutions imposed on these conflicts by white men have relegated the Indian to the fringes of white society and consciousness This survey of English Canadian literature is the first comprehensive examination of a tradition in which white writers turn to the Indian and his culture for standards and models by which they can measure their own values and goals for patterns of cultural destruction transformation and survival and for sources of native heroes and indigenous myths Leslie Monkman examines images of the Indian as they appear in works ranging from Robert Rogers Ponteach or The Savages of America 1766 to Robertson Davies Pontiac and the Green Man 1977 demonstrating how English Canadian writers have illuminated their own world through reference to Indian culture The Indian has been seen as an antagonist as a superior alternative as a member of a vanishing and lamented race and as a hero and the source of the new myths Although white Indian tension often lies in apparently irreconcilable opposites Monkman finds in the literature surveyed complementary images reflecting a common humanity This is an important contribution to a hitherto unexplored area of Canadian literature in English which should give rise to further elaboration of this major theme

An Independent Stance W. J. Keith, 1991 Part One of this strongly worded informed and wide ranging collection examines key issues for the future of Canadian criticism Part Two offers new readings of important works by Grove Wilson MacLennan Davies Laurence Hood Wiebe Hodgins and Atwood As W J Keith argues We still have a mission to have our literature recognized as an essential reflection of our national life This is what I mean by retrenchment and consolidation Literature can survive without literary criticism but it cannot survive if it is unknown and unread It is criticism's prime function at the present time to see that it is both known and read with that mature enjoyment which is a combination of emotional sensitivity and humane intelligence As critics scholars editors we shall not be fulfilling our responsibilities or justifying our existence if we attempt anything less Or as Keith modestly observes in his introduction to this collection If this book is of any interest it will be because Canadian literature is an important subject Literary commentators like myself are middle men and should be prepared to admit the fact If this book succeeds in helping readers to appreciate the works of Canadian writers that I discuss and to derive increased pleasure and insight from them it will have served its purpose I can see no other justification for it or for any other work of

criticism The Canadian Novel: Here and now John Moss,1978 *A Fine Balance* Rohinton Mistry,2010-10-29 A Fine Balance Rohinton Mistry s stunning internationally acclaimed bestseller is set in mid 1970s India It tells the story of four unlikely people whose lives come together during a time of political turmoil soon after the government declares a State of Internal Emergency Through days of bleakness and hope their circumstances and their fates become inextricably linked in ways no one could have foreseen Mistry s prose is alive with enduring images and a cast of unforgettable characters Written with compassion humour and insight A Fine Balance is a vivid richly textured and powerful novel written by one of the most gifted writers of our time
