A Long Walk

Sean Rothery

A Long Walk:

A Long Walk Traverse Davies, 2016-06-15 When the dead rise a divorced father has to make his way through the zombie apocalypse to reach his daughter He sets out with his loyal dog and a fast car When the roads full of the undead prove to be impassable the pair are forced to make their way on foot through hundreds of miles and thousands of the living dead The backroads of Nova Scotia give him new companions including a meth head and a teenage girl with a chip on her shoulder As they travel together they will face obstacles even more dangerous than the zombies [A Long Walk South](#) Sean

Rothery, 2014-04-08 Patronising advice by a doctor at a retirement course to walk a couple of miles a day challenges architect Sean Rothery to take a proper walk and so at the age of sixty five he sets out to walk the GR5 the Grande Randon e Cinq From the steely grey North Sea to the intense blue Mediterranean Sean s 2 300km long route follows a network of old trails forest paths canal banks Alpine valleys and passes Along the way he recounts some of his youthful enterprises including cycling from Dieppe to Rome in the ruins of post war Europe and a climbing accident in 1967 that saw him challenge another doctor s prognosis Ghosts of the past are revisited most poignantly in the Alps where two friends died in climbing accidents but also alongside the ruins of First World War trenches Sketchbook in hand Sean savours the landscape history and culture as he passes from one country to another Every day he looks out for the distinctive red and white waymarks of the GR5 not an easy task especially when change in the name of progress has cleared swathes of trails This enthralling diary of a long walk south will have the reader urging the author on to the last step of the way **A Long Walk South** Bradley

Herrick, 2024-05-18 There s something to be said about being average It s not a bad thing but it isn t necessarily great either After growing up in suburban New England following the social norms and reluctantly falling into the average category in just about everything Brad Herrick wasn t quite ready to take on the average adult lifestyle yet With the light shining bright at the end of the college tunnel Brad finds himself with the opportunity of a lifetime after he made a joke comment to his dad a chance to hike the infamous Appalachian Trail The conversation went something like this Brad I don t want to grow up yet I ll just go and hike the Appalachian Trail Dad Okay Do it Brad Wait what Follow Brad as he tries to conquer the extraordinary as he walks almost 2 200 miles from Katahdin in Maine through fourteen states to Springer Mountain in Georgia As his average life slowly takes a back seat it s gradually replaced with exciting funny and ridiculous adventures both on and off the trail with friends old and new It s a trail of discovery as Brad finds perseverance adventure an expanded world view a love of food and reading the proper use of diaper rash cream and the journey out of the average category [A Long Walk Home](#)

Judith Tebbutt, 2013-07-01 This is the story of how over a period of one hundred and ninety two days I was torn away from the life I knew and loved and dragged down to the depths of despair of how I endured enforced isolation and near starvation at the hands of Somali pirates and of how I made a choice to survive by any and all means that I could muster In September 2011 Judith Tebbutt and her husband David set out on an adventurous holiday to Kenya A couple for thirty three years they

had first met in Zambia Africa had played a major part in their life together After a joyous week on safari in the Masai Mara they flew on to a beach resort forty kilometres south of Somalia And there in the early hours of 11 September tragedy struck them Judith was torn away from David by a band of armed pirates dragged over sea and land to a village in the arid heart of lawless Somalia and there held hostage in a squalid room a ransom on her head There too she learned the terrible truth that the responsibility of securing her release now rested with her son Ollie But though she was isolated intimidated and near starved Judith resolved to survive walking endless circuits of her nine foot prison trying to make her captors see her as a human being keeping her faith at all times in Ollie Powerful moving and at times quite devastating this is Judith Tebbutt's story in her own words It is a memoir of the life she shared with her beloved husband an unflinching account of the ordeal that overturned her world and a testament to the inner resilience and familial love that sustained her through captivity There is nothing so bad in life as to have no hope to believe you have been defeated to give in to that Now that I found myself in confinement four thousand miles from home under a hostile sky I would not accept that fate for myself

A Long Walk Home Joan Grindley, 2010-05-20 A Long Walk Home is the third book in a trilogy written about the women in the author's life the first being Julia her maternal grandmother the second Emma her mother and concluding with the author's own story As with her forebears it is a story of faith determination and survival in a world fraught with challenges

The Long Walk Stephen King, 2025-09-02 Against the wishes of his mother sixteen year old Ray Garraty is about to compete in the annual grueling match of stamina and wits known as The Long Walk One hundred boys must keep a steady pace of four miles per hour without ever stopping with the winner being awarded The Prize anything he wants for the rest of his life But as part of this national tournament that sweeps through a dystopian America year after year there are some harsh rules that Garraty and ninety nine others must adhere to in order to beat out the rest There is no finish line the winner is the last man standing Contestants cannot receive any outside aid whatsoever Slow down under the speed limit and you're given a warning Three warnings and you're out of the game permanently

Wills journey through time and space maps a unique portrait of a city and its people during this time of change Along the way he met many characters including the last Samford dairy farmer and his dog a woman who told him things shed held secret for too long and an American soldier whod been stationed in Brisbane during the Pacific Campaign There were many strange encounters including a drunken game of racing peanuts a conversation with six cane toads and monsters in the night As he walked Will sometimes recalled events from his own past Sometimes these memories were pleasant some bitter sweet but there was one concerning a visit to a place of evil that haunted him
