N Colangelo

A Lydia Maria Child Reader:

A Lydia Maria Child Reader Lydia Maria Child, 1997 This rich collection is the first to represent the full range of Child's contributions as a literary innovator, social reformer, and progressive thinker over a career spanning six decades. **Puritan Spirits in the Abolitionist Imagination** Kenyon Gradert, 2020-04-10 The Puritans of popular memory are dour figures characterized by humorless toil at best and witch trials at worst. Puritan is an insult reserved for prudish prigs or oppressors. Antebellum American abolitionists, however, would be shocked to hear this. They fervently embraced the idea that Puritans were in fact pioneers of revolutionary dissent and invoked their name and ideas as part of their antislavery crusade. *Puritan Spirits in the Abolitionist Imagination* reveals how the leaders of the nineteenth-century abolitionist movement, from landmark figures like Ralph Waldo Emerson to scores of lesser-known writers and orators, drew upon the Puritan tradition to shape their politics and personae. In a striking instance of selective memory, reimagined aspects of Puritan history proved to be potent catalysts for abolitionist minds. Black writers lauded slave rebels as new Puritan soldiers; female antislavery militias in Kansas were cast as modern Pilgrims; and a direct lineage of radical democracy was traced from these early New Englanders through the American and French Revolutions to the abolitionist movement, deemed a Second Reformation by some. Kenyon Gradert recovers a striking influence on abolitionism and recasts our understanding of puritanism, often seen as a strictly conservative ideology averse to the worldly rebellion demanded by abolitionists. Abolition and Antislavery Peter Hinks, John McKivigan, 2015-07-14 The clearly and concisely written entries in this reference work chronicle the campaign to end human slavery in the United States, bringing to life the key events, leading figures, and socioeconomic forces in the history of American antislavery, abolition, and emancipation. The struggle to abolish human slavery is one of the most important reform campaigns in history. The eventual success of this decades-long struggle serves as an inspiring example that even the most deeply rooted social wrongs can be corrected. This valuable reference work details the history of antislavery, abolition, and emancipation to illustrate the various forms of these forces and the courses they followed in the bitterly contested struggle against the institution of slavery, affording readers the most current compendium of the diverse scholarship of this important historical topic. Geared toward readers seeking to learn about antislavery and abolition in U.S. or African American history, *Abolition and Antislavery: A Historical Encyclopedia of the American Mosaic* addresses a period of particular significance: the years that shaped the sectional debates leading up to the Civil War. The coverage encompasses both white abolitionists such as Theodore Dwight Weld and William Lloyd Garrison and black abolitionists such as Frederick Douglass, Martin Delaney, and Sojourner Truth. Each alphabetically organized entry contains cross-references. See also at the end of each entry text. An introductory essay ensures that all readers have a clear framework for understanding the subject, regardless of their previous background knowledge. **Cry of Murder on Broadway** Julie Miller, 2020-10-15 In *Cry of Murder on Broadway*, Julie Miller shows how a woman's desperate attempt at murder came to momentarily embody the anger

and anxiety felt by many people at a time of economic and social upheaval and expanding expectations for equal rights On the evening of November 1 1843 a young household servant named Amelia Norman attacked Henry Ballard a prosperous merchant on the steps of the new and luxurious Astor House Hotel Agitated and distraught Norman had followed Ballard down Broadway before confronting him at the door to the hotel Taking out a folding knife she stabbed him just missing his heart Ballard survived the attack and the trial that followed created a sensation Newspapers in New York and beyond followed the case eagerly and crowds filled the courtroom every day The prominent author and abolitionist Lydia Maria Child championed Norman and later included her story in her fiction and her writing on women s rights The would be murderer also attracted the support of politicians journalists and legal and moral reformers who saw her story as a vehicle to change the law as it related to seduction and to advocate for the rights of workers Cry of Murder on Broadway describes how New Yorkers besotted with the drama of the courtroom and the lurid stories of the penny press followed the trial for entertainment Throughout all this Norman gained the sympathy of New Yorkers in particular the jury which acquitted her in less than ten minutes Miller deftly weaves together Norman s story to show how in one violent moment she expressed all the anger that the women of the emerging movement for women s rights would soon express in words **The Oxford**

Encyclopedia of American Social History Lynn Dumenil,2012-06-07 The Oxford Encyclopedia of American Social History is the first reference work to eschew a narrow focus on past presidents intellectuals military heroes and other exhaustively studied and well remembered persons and instead examine the history of ordinary Americans The more than 450 entries in the Encyclopedia examine our shared history from the bottom up with entries on the way automobiles shaped American lives the westward movement of settlers and farmers in the eighteenth and nineteenth centuries the transformation of work over time the women s suffrage movement counterculture leisure activities consumption patterns voting habits population movements racial divides and many more fascinating topics intended to help readers develop a richer framework for understanding the social experience of Americans throughout history *Reader's Guide to Women's Studies* Eleanor Amico,1998-03-20 The Reader s Guide to Women s Studies is a searching and analytical description of the most prominent and influential works written in the now universal field of women s studies Some 200 scholars have contributed to the project which adopts a multi layered approach allowing for comprehensive treatment of its subject matter Entries range from very broad themes such as Health General Works to entries on specific individuals or more focused topics such as Doctors

The "tragic Mulatta" Revisited Eve Allegra Raimon,2004 This book focuses on the mixed race female slave in literature arguing that this figure became a symbol for explorations of race and nation both of which were in crisis in the mid 19th century It suggests that the figure is a way of understanding the volatile and shifting interface of race and national identity in the antebellum period [Domestic Abolitionism and Juvenile Literature, 1830-1865](#) Deborah C. De Rosa,2012-02-01 Deborah C De Rosa examines the multifaceted nature of domestic abolitionism a discourse that nineteenth

century women created to voice their political sentiments when cultural imperatives demanded their silence For nineteenth century women struggling to find an abolitionist voice while maintaining the codes of gender and respectability writing children s literature was an acceptable strategy to counteract the opposition By seizing the opportunity to write abolitionist juvenile literature De Rosa argues domestic abolitionists were able to enter the public arena while simultaneously maintaining their identities as exemplary mother educators and preserving their claims to femininity Using close textual analyses of archival materials De Rosa examines the convergence of discourses about slavery gender and children in juvenile literature from 1830 to 1865 filling an important gap in our understanding of women s literary productions about race and gender as well as our understanding of nineteenth century American literature more generally Bricks Without Straw Albion W. Tourgée, 2009-05-01 In this classic of American political fiction first published in 1880 a white authors portrayal of the experiences of emancipated slaves shows how Reconstruction was sabotaged by southern racists *A Companion to the American Short Story* Alfred Bendixen, James Nagel, 2020-08-24 A COMPANION TO THE AMERICAN SHORT STORY A Companion to the American Short Story traces the development of this versatile literary genre over the past two centuries Written by leading critics in the field and edited by two major scholars it explores a wide range of writers from Edgar Allen Poe and Edith Wharton at the end of the nineteenth century to important modern writers such as Ernest Hemingway William Faulkner F Scott Fitzgerald and Richard Wright Contributions with a broader focus address groups of multiethnic Asian and Jewish writers Each chapter places the short story into context focusing on the interaction of cultural forces and aesthetic principles The Companion takes account of cutting edge approaches to literary studies and contributes to the ongoing redefinition of the American canon embracing genres such as ghost and detective fiction cycles of interrelated short fiction and comic social and political stories The volume also reflects the diverse communities that have adopted this literary form and made it their own featuring entries on a variety of feminist and multicultural traditions This volume presents an important new consideration of the role of the short story in the literary history of American literature

The book delves into A Lydia Maria Child Reader. A Lydia Maria Child Reader is a vital topic that needs to be grasped by everyone, from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into A Lydia Maria Child Reader, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to A Lydia Maria Child Reader
- Chapter 2: Essential Elements of A Lydia Maria Child Reader
- Chapter 3: A Lydia Maria Child Reader in Everyday Life
- Chapter 4: A Lydia Maria Child Reader in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of A Lydia Maria Child Reader. The first chapter will explore what A Lydia Maria Child Reader is, why A Lydia Maria Child Reader is vital, and how to effectively learn about A Lydia Maria Child Reader.

3. In chapter 2, the author will delve into the foundational concepts of A Lydia Maria Child Reader. The second chapter will elucidate the essential principles that must be understood to grasp A Lydia Maria Child Reader in its entirety.

4. In chapter 3, this book will examine the practical applications of A Lydia Maria Child Reader in daily life. The third chapter will showcase real-world examples of how A Lydia Maria Child Reader can be effectively utilized in everyday scenarios.

5. In chapter 4, this book will scrutinize the relevance of A Lydia Maria Child Reader in specific contexts. This chapter will explore how A Lydia Maria Child Reader is applied in specialized fields, such as education, business, and technology.

6. In chapter 5, this book will draw a conclusion about A Lydia Maria Child Reader. The final chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of A Lydia Maria Child Reader.
