PHILIP PULLMAN

THE AMBER SPYGLASS

Philip Pullman's thrilling fantasy comes alive in a BBC Radio 4 full-cast dramatisation

The award-winning *His Dark Materials* trilogy is a breathtaking epic adventure spanning a multitude of worlds. In *The Amber Spyglass*, the third and final instalment, the war between good and evil reaches a shattering conclusion.

Lyra and Will are helped by friends old and new as they continue their perilous journey. The great armoured bear Iorek Byrnison reappears, as does Dr Mary Malone, creator of the amber spyglass. Then there are the tiny, dragonfly-riding Gallivesplans, and the wheel-borne Mulefa with their ability to see the mysterious substance Dust.

As childhood slips away from them, Lyra and Will face new dangers – including the daemon-destroying Spectres and a journey into the world of the dead. The pair must play their part in the climax of a war for the future of all worlds.

The Whitbread Book of the Year 2001, *The Amber Spyglass* is now an exciting full-cast drama starring Terence Stamp, Ray Fensom, Emma Fielding and Philip Madoc.
