American Art Series Remington Russell:

Remington and Russell Brian W. Dippie, 1994 From reviews of the first edition Richly illustrated this handsome volume presents the rugged beauty and rowdy spirit of life on the frontier as captured by two master painters Art Gallery International large color plates beautifully reproduce dashing romantic scenes of frontier life created by two of the West's foremost portrayers American West The many devotees of Remington and Russell and of Western art in general will want to add this handsome volume to their collection Arizona Highways the University of Texas Press as one would expect has produced a beautiful book Montana Since its original publication in 1982 Remington and Russell has become an essential introduction to the work of these artists and this revision substantially enhances the book's strengths Every painting in the Sid Richardson Collection has been rephotographed for this edition including one Russell and five Remington paintings not included previously Numerous black and white illustrations have also been added to give insight into the evolution of the paintings Brian Dippie has considerably amplified his commentaries on each painting with new information His revised introduction places Remington and Russell in the historical and cultural contexts of their time and draws intriguing comparisons between the two artists Remington and Russell Leonard Everett Fisher, 1994-08 A lavishly illustrated full color guidebook covers the lives works and notable contributions of two important artists of the American West

Remington, Russell and the Language of Western Art Peter H. Hassrick, Frederic Remington, 2000 As young men Remington and Russell struck out for the West seeking adventure and self identity Remington stayed for only one year Russell for the rest of his life But both eventually became artists and both took as their subject the disappearing West and its people Different in temperament and style they became the focal point of a manufactured rivalry that dominated the American art scene at the turn of the twentieth century and in essence pitted East against West Camps of followers developed and duels were waged on their behalf in the press although neither Remington nor Russell directly engaged in the rivalry

Charles Russell, Frederic Remington Sophia Craze, 1989 Box set of two publications also published separately Combines text and illustrations to pay tribute to two of the Old West's more well known artists *American Cowboy*, 2002-03 Published for devotees of the cowboy and the West American Cowboy covers all aspects of the Western lifestyle delivering the best in entertainment personalities travel rodeo action human interest art poetry fashion food horsemanship history and every other facet of Western culture With stunning photography and you are there reportage American Cowboy immerses readers in the cowboy life and the magic that is the great American West American Photo, 2005-01 The Lone Ranger Pasquale De Marco, 2025-07-24 The Lone Ranger is a timeless Western character who has captured the imaginations of generations The Lone Ranger is a mysterious masked figure who roams the Old West fighting for justice and protecting the innocent The origins of the Lone Ranger are unknown but legend has it that he was once a Texas Ranger who was left for dead after an ambush by outlaws However he was rescued by a group of Native Americans who nursed him back

to health In gratitude the Lone Ranger vowed to fight for justice and to protect the innocent The Lone Ranger is a skilled marksman and a master of disguise He is also a compassionate man who is always willing to help those in need The Lone Ranger is often accompanied by his faithful companion Tonto a Native American who is also a skilled warrior The Lone Ranger has been a popular character for over 80 years He has been featured in numerous radio television and film adaptations The Lone Ranger has also been the subject of comic books novels and video games The Lone Ranger is a timeless character who continues to inspire and entertain audiences of all ages The Lone Ranger is more than just a fictional character He is a symbol of American values such as justice courage and hope The Lone Ranger is a reminder that even in the darkest of times there is always someone who is willing to fight for what is right The Lone Ranger is an American icon and he will continue to be a source of inspiration for generations to come If you like this book write a review **Art Books**
