ALLEN,2018 *American Cattle* Lewis F. Allen,2015-07-01 Excerpt from *American Cattle Their History Breeding and Management* The object of this work is not only to give a historical account of the Bovine race to suggest to our farmers and cattle breeders the best methods of their production and management but to exalt and ennoble its pursuit to the dignity to which it is entitled in the various departments of American agriculture I have contemplated a work of this kind for many years past Indeed its plan was partly shadowed out near twenty years ago but on reflection I made up my mind that move personal observation was required than I then possessed and also that further experience in the use of the better improved breeds of foreign cattle among our farmers and cattle breeders was desirable to give that extended range of information which so important an interest demanded About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **American Cattle** Lewis Allen,2017-07-04 This special reprint edition of *American Cattle* was written by Lewis F Allen and first published in 1868 It is a truly valuable antiquarian text Some of the topics covered by Allen include The Climate and Soils of North America History of American Cattle Improved Breeds of Cattle Middle Horned Cattle The Herefords History The Cattle of Scotland Channel Island Cattle What is the Best Breed of Cattle The Anatomical and Economical Points of Cattle and more Also features wonderful antique illustrations of some of the breeds of cattle he discusses This rare text will be a great asset to the libraries of all who are interested in the history of the US Cattle Industry or Agricultural history in general IMPORTANT NOTES Please read BEFORE buying THIS BOOK IS A REPRINT IT IS NOT AN ORIGINAL COPY This book is a reprint edition and is a perfect facsimile of the original book It is not set in a modern typeface and has not been digitally rendered As a result some characters and images might suffer from slight imperfections blurring or minor shadows in the page background This book appears exactly as it did when it was first printed *American Cattle* Lewis R. Allen,1972 *American Cattle; Their History, Breeding and Management, Rev. ...* by Lewis F. Allen Lewis Falley Allen,1882 **The Publishers' Trade List Annual** ,1875 **Humans, Animals, and U.S. Society in the Long Nineteenth Century: A Documentary History** Dominik Ohrem,2025-11-18 Volume III hones in on the relations between humans and domesticated animals in U S society illuminating how these relations were integral to key developments of the long nineteenth century A first section explores the

role of domesticated animals in what for most of the nineteenth century remained a predominantly agrarian world albeit one undergoing significant change focussing on the labour and products that could be extracted from animal bodies the education of working animals contemporary attempts at improving animal breeds to increase agricultural productivity and market value the rise of veterinary medicine and other topics The second section demonstrates that the transportation revolution of the antebellum decades notwithstanding animals remained essential for moving around goods and people in both rural areas and the growing U S cityscapes where horses powered everything from carriages to streetcars as well as in other nineteenth century contexts that relied on equine bovine and sometimes canine traction A third and final section is centred on domesticated animals in entertainment and competitive settings ranging from the prestigious if embattled sport of Thoroughbred horse racing to pigeon fancying and the brutal spectacles of dog and cockfighting which quickly became the target of a spirited post Civil War anticruelty movement
