Answering Challenging Mormon Questions Michael W. Hickenbotham, 2004-07 Friends and critics occasionally misunderstand or misrepresent the doctrines and the practices of the Church of Jesus Christ of Latter day Saints This book offers clean detailed and documented responses to 130 questions which others have asked including Why do we claim to have special authority What is the nature of heaven and hell Are we Christians More than just a quick answer book Answering Challenging Mormon Questions provides thousands of scripture references that lead the reader to a much deeper understanding than can be achieved through reasoning alone It is a major work that will rapidly become an extremely important missionary tool and reference [Answering Challenging Mormon Questions](#) Michael W. Hickenbotham, 1995

Answering Mormons' Questions Bill McKeever, Eric Johnson, 1983 The Church of Jesus Christ of Latter Day Saints currently boasts millions of members thousands of missionaries and congregations on every continent as well as in the vast majority of the world s countries It s clear that their influence is still growing in our communities places of business and in the political arena It s also clear that Christians need to be prepared to answer questions from Mormon friends neighbors co workers and from fellow believers as well In this updated and expanded edition of McKeever s popular and practical book authors Bill McKeever and Eric Johnson provide ready responses to the common questions Mormons ask With more than six decades of combined experience the authors tackle such tough questions as Why don t you accept Mormons as Christians Do you believe Mormonism is a cult If the LDS church is not true which church is How can you explain the many contradictions found throughout the Bible After offering analysis and responses to these and other questions McKeever and Johnson provide helpful appendices that summarize Mormon beliefs provide 101 Bible references to use in conversation and expose common logical fallacies Originally published in the 1980s this volume has been and will continue to be a classic resource to help Christians become more successful in sharing their faith with Mormons **Approaching Mormons in Love** Wilbur

Lingle, 2005-01-01 Have you tried to convey your faith to Mormons and gotten nowhere Then this book is for you It s proven and practical guide which includes questions answers conversation starters and other great witnessing tools that will help you speak to Mormons *Another Jesus, a Different Spirit, a Different Gospel* Steven H. Propp, 2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ

RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel A Multicultural Christmas will be pleased to see a brief reappearance of two characters from that book

Deification and the Rule of Faith Daniel E. Wilson Ph.D., 2015-11-05 Evangelicals are often surprised or maybe even shocked whenever they encounter the early Church Fathers description of salvation in terms of deification divinization or apotheosis It was Athanasius the black dwarf the champion of Nicene orthodoxy who coined the phrase in his On the Incarnation God became man that man might become god Hundreds of years before Athanasius Irenaeus disciple of Polycarp disciple of the Apostle John wrote of Christs salvific provision for humanity using similar deification type concepts Why did these Church Fathers use such seemingly foreign biblical concepts Could it be that influential theologian Adolf Harnack is right and these church Fathers implementation of deification reveal that the gospel changed from what Jesus originally intended after being exposed to Hellenistic culture Not at all at least that is what this work argues It does so first by comparing an overall understanding of deification in both Athanasius and Irenaeus respective writings This section encompasses the first three chapters which exhibit how the Fathers use of deification is immersed in their respective descriptions of salvation history the Trinity and Christology Further this work assesses Harnacks proposal by comparing the Fathers respective descriptions of deification with that of many Greek and Roman philosophers Finally this work seeks to propose that both Irenaeus and Athanasius contextualize the gospel by comparing the Fathers respective descriptions of deification with their respective understandings of scriptural authority and the rule of faith

The Mormon Church and Blacks Matthew L Harris, Newell G. Bringhurst, 2015-11-15 The year 1978 marked a watershed year in the history of The Church of Jesus Christ of Latter day Saints as it lifted a 126 year ban on ordaining black males for the priesthood This departure from past practice focused new attention on Brigham Young s decision to abandon Joseph Smith s more inclusive original teachings The Mormon Church and Blacks presents thirty official or authoritative Church statements on the status of African Americans in the Mormon Church Matthew L Harris and Newell G Bringhurst comment on the individual documents analyzing how they reflected uniquely Mormon characteristics and contextualizing each within the larger scope of the history of race and religion in the United States Their analyses consider how lifting the ban shifted the status of African Americans within Mormonism including the fact that African Americans once denied access to certain temple rituals considered

essential for Mormon salvation could finally be considered full fledged Latter day Saints in both this world and the next Throughout Harris and Bringham offer an informed view of behind the scenes Church politicking before and after the ban The result is an essential resource for experts and laymen alike on a much misunderstood aspect of Mormon history and belief

The Mormon Illusion Floyd C. McElveen, 1985 Revised and expanded edition This classic work on Mormonism has more than 135 000 copies in print

The User-Friendly Book of Mormon: Timeless Truths for Today's Challenges Marilyn Faulkner, 2023-02-02 Got a problem The Book of Mormon has an answer You've read the stories but never like this These ancient prophets can help you with everything from binge watching on Netflix to balancing family life and work This modern guide is perfect for personal study family discussions or lessons You'll never look at the Book of Mormon the same way again

Is Mormonism Now Christian? Steven A. Crane, 2010-01-01 For years Mormonism has taught that all the creeds of Christianity were an abomination and all other churches were corrupt Pearl of Great Price Joseph Smith 1:19 Joseph Smith was told not to join with any of them but to help lead in what would be a restoration of the true church In the same way Christianity has never accepted Mormons among their ranks considering them teachers of a different gospel Galatians 1:6 But a new ecumenical spirit of openness might suggest that the doctrinal distance between these two groups is shrinking Are the two sides actually moving closer together Is there significant change within the ranks of Mormonism If so is the change widespread Does this new direction reflect the views of the leadership or is it simply the belief of a few Worse yet is it a deceptive media ploy on behalf of the Church of Jesus Christ of Latter day Saints LDS to appear to be something it is not This work is a fresh new look at the distinctives between Christianity and Mormonism in an attempt to answer the question Is Mormonism Now Christian
