Anthony The Perfect Monster:

Anthony, the Perfect Monster Angelo DeCesare, 1996 Anthony has always been perfect but starting school makes him feel like a perfect monster instead **Anthony the Perfect Monster** HarperCollins Canada, Limited, 1909-09 **I Can Read It All by Myself** Paul V. Allen, 2021-05-28 In the late 1950s Ted Geisel took on the challenge of creating a book using only 250 unique first grade words something that aspiring readers would have both the ability and the desire to read The result was an unlikely children's classic *The Cat in the Hat* But Geisel didn't stop there Using *The Cat in the Hat* as a template he teamed with Helen Geisel and Phyllis Cerf to create Beginner Books a whole new category of readers that combined research based literacy practices with the logical insanity of Dr Seuss The books were an enormous success giving the world such authors and illustrators as P D Eastman Roy McKie and Stan and Jan Berenstain and beloved bestsellers such as *Are You My Mother* *Go Dog Go* *Put Me in the Zoo* and *Green Eggs and Ham* The story of Beginner Books and Ted Geisel's role as president policymaker and editor of the line for thirty years has been told briefly in various biographies of Dr Seuss but *I Can Read It All by Myself* The Beginner Books Story presents it in full detail for the first time Drawn from archival research and dozens of brand new interviews *I Can Read It All by Myself* explores the origins philosophies and operations of Beginner Books from *The Cat in the Hat* in 1957 to 2019's *A Skunk in My Bunk* and reveals the often fascinating lives of the writers and illustrators who created them **Multicultural Gifted Education** Donna Y. Ford, 2021-09-03 Each year the United States witnesses significant changes in the demographics of its citizens Accordingly schools and the students we teach are also changing With such changes come the need responsibility and obligation for educators to provide students with an education that is both rigorous and culturally responsive This book bridges the gap that exists between educating advanced learners and educating culturally different learners *Multicultural Gifted Education* 2nd ed addresses various topics including racially and culturally diverse students and families historical and legal perspectives on educating gifted and minority students culturally responsive curriculum and assessment and counseling students from a multicultural perspective **The Mommy Journal** Tracy Broy, 2002-09-02 Ask any mother and she will tell you there are just not enough hours in the day By the time she has fed clothed and bathed the children read *Curious George* for the 100th time cut the crusts off the PB J sandwiches and removed the ground in dirt from the play clothes she does not have time to create a detailed scrapbook of each of her children's lives It's no wonder that so many elaborate baby books remain incomplete their pristine pages adding to the guilt and inadequacy that many moms already feel That is why *The Mommy Journal* is so perfect for today's moms It offers a quick and guilt free way to record the special moments of childhood Space for each entry is only about three inches long and undated so there is no pressure to write lengthy narratives or to journal every day In less than five minutes mothers can quickly jot down the moments they want to remember forever Plus unlike traditional baby books *The Mommy Journal* lets mothers record memories of all their children in one place Charming illustrations of toys hearts and animals grace each page

Every few pages contain a bit of parenting wisdom such as The best thing you can give children next to good habits are good memories Instructions for fun activities moms can do with their children such as make edible finger paint from instant pudding are included as well The Mommy Journal will become a treasured keepsake both for the mom who creates it and for the child who receives this precious record of childhood
