**Price Guide to Antique Tools** Herbert P. Kean, 2005-05-01 A price guide is only as helpful as its prices are current With this in mind we offer a new fourth edition of Herbert Kean s A Price Guide to Antique Tools its prices taken from the latest live and internet auctions as well as from private sales As before there are over 12 000

prices individual and chart combinations that represent extraordinary tools as well as those found in flea markets There is an explanation for each tool group that allows the reader to judge the condition of a tool the most critical of all factors when determining price The chapter on American wooden planes covers over 400 makers each graded with a single value number a system that is at the same time simple and comprehensive To help even more almost every tool is illustrated with a photograph or line drawing The section on internet prices explains the mechanisms of electronic auctions and gives tips for successful bidding If you have ever wished that you could consult with an expert before investing in a tool this is the book for you It puts at your fingertips the knowledge and expertise of noted tool collector and dealer Herb Kean both in determining current prices and in evaluating condition Altogether an invaluable book     *Flaying in the Pre-modern World* Larissa Tracy,2017 From images of Saint Bartholomew holding his skin in his arms to scenes of execution in Havelok the Dane to laws that prescribed it as a punishment for treason this volume explores the idea and the reality of skin removal flaying in the Middle Ages It interrogates the connection between reality and imagination in depictions of literal skin removal rather than figurative or theoretical interpretations of flaying and offers a multilayered view of medieval and early modern perceptions of flaying and its representations in European culture     Google Advertising Tools Harold Davis,2006-01-19 When it comes to advertising on the web you just can't argue with the numbers A 7 billion market today is expected to grow to 18.9 billion by 2010 Jupiter Research also estimates that search advertising will be a larger share of the market than display advertising by 2010 These phenomenal numbers are due largely to Google which has changed the way the world publishes content and advertises Google Advertising Tools from O'Reilly examines the business and technology behind making money with content and advertising on the web This focused easy to read guide shows you how to use Google's advertising services to make it happen You'll find all the background information you need to work with Google AdSense which automatically delivers text and image ads that are precisely targeted to your site and Google AdWords which lets you generate text ads that accompany specific search term results This book has specific and detailed sections on Turning your web site into a profit center with AdSense Making sense of AdSense metrics Driving traffic to your site Optimizing sites for search engine placement Working with AdWords campaigns auctions and reports Managing campaigns dynamically using the AdWords APIs Once you've read all four parts you'll have a comprehensive picture of how advertising works on the web and how you can use the Google advertising programs to your advantage     Preston Catalogue -1909 Edward Preston & Sons,1991-04-01 A complete reprint of perhaps the finest catalog this prestigious firm ever issued Founded in 1825 Preston was one of the leading English tool manufacturers noted for its extensive line of high quality hand tools The 1909 catalogue lists and illustrates over 600 different rules 300 levels the distinctive Preston planes and a variety of other tools and instruments This is one of the most attractive of all the English tool trade catalogues and it's further enhanced by a carefully researched study of the Preston firm by Mark Rees     American Woodworker ,1999-04 American Woodworker magazine A New Track Media publication has

been the premier publication for woodworkers all across America for 25 years We are committed to providing woodworkers like you with the most accurate and up to date plans and information including new ideas product and tool reviews workshop tips and much much more
