A History Of Medicine Volume 1 Primitive And Ancient Medicine:

A History of Medicine: Primitive and ancient medicine Plinio Prioreschi,1996 Wonderful Things: A History of Egyptology, Volume 1 Jason Thompson,2015-03-01 The discovery of ancient Egypt and the development of Egyptology are momentous events in intellectual and cultural history The history of Egyptology is the story of the people famous and obscure who constructed the picture of ancient Egypt that we have today recovered the Egyptian past while inventing it anew and made a lost civilization comprehensible to generations of enchanted readers and viewers thousands of years later This the first of a three volume survey of the history of Egyptology follows the fascination with ancient Egypt from antiquity until 1881 tracing the recovery of ancient Egypt and its impact on the human imagination in a saga filled with intriguing mysteries great discoveries and scholarly creativity Wonderful Things affirms that the history of ancient Egypt has proved continually fascinating but it also demonstrates that the history of Egyptology is no less so Only by understanding how Egyptology has developed can we truly understand the Egyptian past *Ayurveda in The New Millennium* D. Suresh Kumar,2020-11-10 Ayurveda or the sacred knowledge of longevity has been practiced in India and many Asian countries since time immemorial Interest in Ayurveda started growing all over the world in the late 1970s following the Alma Ata Declaration adopted by the W H O in 1978 Ayurveda in the New Millennium Emerging Roles and Future Challenges attempts to survey the progress made in this field and to formulate a course of action to take Ayurveda through the new millennium It also identifies the many stumbling blocks that need to be removed if Ayurveda is to cater to the needs of a wider audience Features Newer insights into the history of Ayurveda Regulatory aspects of the manufacture of ayurvedic medicines Industrial production of traditional ayurvedic medicines Quality control The scientific rationale of single herb therapy Biological effects of ayurvedic formulations Optimization of ancient wisdom and newer knowledge Conservation of threatened herbs Nutraceuticals and cosmeceuticals from Ayurveda Critical view of Ayurveda in the West Direction for the Ayurveda renaissance Ayurveda in the New Millennium Emerging Roles and Future Challenges describes the strength of Ayurveda and how to usher in the Ayurveda renaissance This book will be of interest to proponents of Ayurveda and all branches of traditional and alternative medicine Experts from the fields of medicine pharmacology new drug discovery and food technology will also find it useful *Ancient Medicine* Michael Woods,Mary Boyle Woods,2000-01-01 Describes medical techniques such as brain surgery splints taking a pulse forceps and sanitation in ancient civilizations including the Stone Age Egypt Greece China India and Rome **A Bibliography of the Writings of Henry E. Sigerist** Genevieve Miller,1966-01-01 A Day in a Working Life Gary Westfahl,2015-04-21 Ideal for high school and college students studying history through the everyday lives of men and women this book offers intriguing information about the jobs that people have held from ancient times to the 21st century This unique book provides detailed studies of more than 300 occupations as they were practiced in 21 historical time periods ranging from prehistory to the present day Each profession is examined in a compelling essay that is specifically written to

inform readers about career choices in different times and cultures and is accompanied by a bibliography of additional sources of information sidebars that relate historical issues to present day concerns as well as related historical documents Readers of this work will learn what each profession entailed or entails on a daily basis how one gained entry to the vocation training methods and typical compensation levels for the job The book provides sufficient specific detail to convey a comprehensive understanding of the experiences benefits and downsides of a given profession Selected accompanying documents further bring history to life by offering honest testimonies from people who actually worked in these occupations or interacted with those in that field

Medical Heritage of the National Palace of Mafra Maria do Sameiro Barroso, Christopher John Duffin, Germano de Sousa, 2020-01-31 Very little has been written on the unique historical medical heritage of the National Palace of Mafra in Portugal which celebrated its new status as a UNESCO World Heritage site in 2019 This book brings together a set of innovative studies which consider the importance of this unique collection of medical texts and items of material medical culture Using a multifaceted approach topics as diverse as the rise of alchemy at the hands of Paracelsus the lives and contributions of neglected eighteenth century physicians and the history of elements of the materia medica are brought together in this celebration of a Portuguese national icon This book will appeal to all those with an interest in the history of science and especially those who enjoy the history of medicine and pharmacy and bibliographic studies

From Hippocrates to COVID-19 Dale A. Stirling, 2023-05-12 The COVID 19 pandemic provides stark evidence of the importance of medicine on a global scale However revisiting the influenza pandemic of 1918 provided a perspective as we searched for a viable vaccine and instituted

public health measures This shows that medical knowledge is an accumulative process extending to the past and it is in the spirit of that legacy that this bibliography has been compiled The book is a one stop resource that cites literature related to the historical aspects of medicine It also acknowledges medicine s global reach and devotes significant effort in that respect Although the online world seems to dominate on both a social and educational level there is still a need for thoughtfully curated and focused reference works and this bibliography accomplishes that goal The book has 9 000 citations It utilizes the WHO s International classification of Diseases for the section on diseases and disorders and the U S Food Drug Administration s Product Code Classification Database for the section on medical devices equipment and instruments It includes detailed subject geographic and people indexes for an easy reference
