

A photograph of a large crowd of people, likely at a public demonstration or celebration. In the foreground, a large Tunisian flag (red with a white disk containing a red star and crescent) is being held up. The crowd consists of many young people, some wearing headscarves. The background is slightly blurred, showing more people and greenery.

A History Of Modern Tunisia:

A History of Modern Tunisia Kenneth Perkins, 2004-11-18 Kenneth Perkins book which was the first English language history of modern Tunisia traces its story from the mid nineteenth century to the present day The years from 1881 saw the inauguration of French colonial rule the creation of the nationalist movement and finally independence in 1956 Perkins examines the problems that were created by colonialism and the measures undertaken to achieve independence He then describes the subsequent process of state building including the design of political and economic structures and the promotion of a social and cultural agenda In conclusion he reviews the years since 1987 when a new regime came to power with promises of correcting the most widely perceived faults of its predecessor Perkins readable and informed introduction will be a necessity for students of the region and also for anyone travelling there who wants a more comprehensive approach than most guide books can offer

A History of Modern Tunisia Kenneth J. Perkins, 2004 Kenneth Perkins book traces the history of Tunisia from the mid nineteenth century to the present After initially examining the years of French colonial rule from 1881 to 1956 when the Tunisians achieved independence he describes the subsequent process of state building including the design of political and economic structures and the promotion of a social and cultural agenda In conclusion Perkins reviews the years since 1987 when a new regime came to power

A History of Modern Tunisia Kenneth Perkins, 2014-01-20 Kenneth Perkins s second edition of *A History of Modern Tunisia* carries the history of this country from 2004 to the present with particular emphasis on the Tunisian revolution of 2011 the first critical event of that year s Arab Spring and the inspiration for similar populist movements across the Arab world After providing an overview of the country in the years preceding the inauguration of a French protectorate in 1881 the book examines the impact of colonialism on the country with particular attention to the evolution of a nationalist movement that secured the termination of the protectorate in 1956 Its analysis of the first three decades of independence during which the leaders of the anticolonial struggle consolidated political power assesses the challenges that they faced and the degree of success they achieved No other English language study of Tunisia offers as sweeping a time frame or as comprehensive a history of this nation
