A History Of South Africa To Eighteen Seventy:

A History of South Africa to 1870 Monica Wilson, Leonard Thompson, 2022-10-05 Originally published in 1982 and based on the 1969 Oxford History of South Africa this book discusses some of the trends in the historiography of South Africa before the beginning of large scale mining operations in Kimberley in 1870 A deliberate attempt was made to look at the roots of South African society and to take due account of all its peoples The book includes a survey of archaeological data emphasizing the links between South Africa and the rest of the continent and between the more remote and more recent past in South Africa The lives of the hunting herding and cultivating peoples who lived in South Africa before the advent of the Europeans The foundation of a colonial society is described and the expansion of that society until the 1770s The final chapters review the relations between the peoples of the Cape Colony and the Nguni cultivators from their first meetings until about 1870 and the growth of the plural society in the Cape Colony until 1970 *A History of African Societies to 1870* Elizabeth Isichei, 1997-04-13 This comprehensive and detailed exploration of the African past from prehistory to approximately 1870 is intended to provide a fully up to date complement to the Cambridge History of Africa Reflecting several emphases in recent scholarship it focusses on the changing modes of production on gender relations and on ecology laying particular stress on viewing history from below A distinctive theme is to be found in its analyses of cognitive history The work falls into three sections The first comprises a historiographic analysis and covers the period from the dawn of prehistory to the end of the Early Iron Age The second and third sections are for the most part organised on regional lines the second section ends in the sixteenth century the third carries the story on to 1870 A second volume now in preparation will cover the period from 1870 to 1995 This book attempts a more rounded view of African history than most of the other textbooks on the subject addressed to a largely undergraduate level student Earlier histories have tended to ignore some of the current foci in the scholarly literature on Africa generally not reflected in the textbooks these include discussions of topical issues like ecology and gender Isichei's book is also more radical **Colonialism in Africa 1870-1960: Volume 5, A Bibliographic Guide to Colonialism in Sub-Saharan Africa** L. H. Gann, Peter Duignan, 1969 A comprehensive study of recent African history examining the political social and economic effects of colonialism **Women Writing Home, 1700-1920** Susan Clair Imbarrato, 2024-07-31 Assembles a range of women's letters from the former British Empire These letters written home are not only historical sources they are also representations of the state of the Empire in far off lands sent home to Britain and occasionally other centres established as home *A History of British Tramp Shipping, 1870-1914 (Volume 1)* Gordon H. Boyce, 2024-03-25 Winner of the Canadian Nautical Research Society's Keith Matthews Award for Best Book 2024 Celebrated in the novels of Joseph Conrad and vintage films tramp ships the precursor of bulk carriers are not well understood today Yet these vessels transported in bulk essential minerals and ores grains timber and other commodities and played a vital role in creating the modern global economy While the histories of some individual tramp firms have been

written this book uses personal correspondence and surviving company records to chart the development of the entire industry the largest in the world during a period of transformational technical change Who were the bold risk takers who founded tramp firms How did they mobilise the resources needed to enter this dynamic sector build immense companies and accumulate vast fortunes Why did others fail This study reveals how executives learned the art of managing tramps and developed strategic networking skills Tramp shipping resonates with many of today s high growth industries it was an information intensive high stress operation that required rapid sometimes instinctive decision making within a turbulent market Building business networks was supported by a distinctive culture that streamlined communication This innovative study places information knowledge learning culture and communication at the centre of the analysis in order to transport readers into the minds of those fascinating entrepreneurs who helped build the modern world

Being Spiritual while Doing Research Volker Kessler, Marilyn Naidoo, Tanya van Wyk, Philipp Wenk, Although the topic of spirituality has been experiencing a renaissance since the end of the previous century it is not always associated with academic activities The book invites scholars from all fields to rethink this traditional divide between knowledge and spirituality offering fresh perspectives on how the two can coexist and enhance each other Twenty nine authors from across the world illustrate how scholarly pursuits in various disciplines can be deeply spiritual journeys

Economics and History David Greasley, Les Oxley, 2011-10-13 Economics and History presents six state of the art surveys from some of the leading scholars in cliometrics The contributions are all written at an accessible level for the non specialist reader and consider a broad range of issues from this highly topical area Written clearly and comprehensively allowing easy accessibility for the non specialist reader Brings together the very latest research in this highly topical subject from leading scholars Contributions cover a broad range of areas within this subject The latest publication in the highly successful Surveys of Recent Research in Economics Book Series

Anarchism and Syndicalism in the Colonial and Postcolonial World, 1870-1940 Steven Hirsch, Lucien van der Walt, 2010-11-11 Before communism anarchism and syndicalism were central to labour and the Left in the colonial and postcolonial world Using studies from Africa Asia Eastern Europe and Latin America this groundbreaking volume examines the revolutionary libertarian Left s class politics and anti colonialism in the first globalization and imperialism 1870 1930
