A Ladys Life In The Rocky Mountains:

A Lady's Life in the Rocky Mountains Isabella Lucy Bird, 1882 *A Lady's Life in the Rocky Mountains* Isabella Bird, 2020-12-30 *A Lady's Life in the Rocky Mountains* is a travel book by Isabella Bird describing her 1873 trip to the Rocky Mountains of Colorado. The book is a compilation of letters that Isabella Bird wrote to her sister Henrietta. In 1872 Isabella left Britain going first to Australia then to Hawaii which she refers to as the Sandwich Islands. In 1873 she travelled to Colorado then the Colorado Territory. After living a time in Hawaii she takes a boat to San Francisco. She passed the area of Lake Tahoe to Cheyenne Wyoming to ultimate Estes Park Colorado also elsewhere in and near the Rocky Mountains of the Colorado Territory. Early in Colorado she met Rocky Mountain Jim described as a desperado but with whom she got along quite well. She described him as He is a man whom any woman might love but no sane woman would marry. She was the first white woman to stand atop Longs Peak Colorado pointing out that Jim dragged me up like a bale of goods by sheer force of muscle. Rocky Mountain Jim treated her quite well and it is sad to note he was shot to death seven months later. After many other adventures Isabella Bird ultimately took a train east. Upon publication *A Lady's Life in the Rocky Mountains* proved an instant bestseller and is still considered to be her best work.

A Lady's Life in the Rocky Mountains Isabella Lucy Bird, I have found a dream of beauty at which one might look all one's life and sigh. Not lovable like the Sandwich Islands but beautiful in its own way. A strictly North American beauty: snow splotched mountains, huge pines, red woods, sugar pines, silver spruce, a crystalline atmosphere, waves of the richest color, and a pine hung lake which mirrors all beauty on its surface. Lake Tahoe is before me, a sheet of water twenty-two miles long by ten broad and in some places 1 700 feet deep. It lies at a height of 6 000 feet and the snow crowned summits which wall it in are from 8 000 to 11 000 feet in altitude. The air is keen and elastic. There is no sound but the distant and slightly musical ring of the lumberer's axe. It is a weariness to go back even in thought to the clang of San Francisco which I left in its cold morning fog early yesterday driving to the Oakland ferry through streets with side walks heaped with thousands of cantaloupe and water melons, tomatoes, cucumbers, squashes, pears, grapes, peaches, apricots, all of startling size as compared with any I ever saw before. Other streets were piled with sacks of flour left out all night owing to the security from rain at this season. I pass hastily over the early part of the journey, the crossing the bay in a fog as chill as November, the number of lunch baskets which gave the car the look of conveying a great picnic party, the last view of the Pacific on which I had looked for nearly a year, the fierce sunshine and brilliant sky inland, the look of long RAINLESSNESS which one may not call drought, the valleys with sides crimson with the poison oak, the dusty vineyards with great purple clusters thick among the leaves and between the vines, great dusty melons lying on the dusty earth. From off the boundless harvest fields the grain was carried in June and it is now stacked in sacks along the track awaiting freightage. California is a land flowing with milk and honey. The barns are bursting with fullness. In the dusty orchards the apple and pear branches are supported that they may not break down under the weight of fruit, melons, tomatoes and squashes of gigantic

size lie almost unheeded on the ground fat cattle gorged almost to repletion shade themselves under the oaks superb red horses shine not with grooming but with condition and thriving farms everywhere show on what a solid basis the prosperity of the Golden State is founded Very uninviting however rich was the blazing Sacramento Valley and very repulsive the city of Sacramento which at a distance of 125 miles from the Pacific has an elevation of only thirty feet The mercury stood at 103 degrees in the shade and the fine white dust was stifling In the late afternoon we began the ascent of the Sierras whose sawlike points had been in sight for many miles The dusty fertility was all left behind the country became rocky and gravelly and deeply scored by streams bearing the muddy wash of the mountain gold mines down to the muddier Sacramento There were long broken ridges and deep ravines the ridges becoming longer the ravines deeper the pines thicker and larger as we ascended into a cool atmosphere of exquisite purity and before 6 P M the last traces of cultivation and the last hardwood trees were left behind

Quicklet on Isabella Bird's A Lady's Life in the Rocky Mountains (CliffNotes-like Summary & Analysis) Lacey Kohlmoos, 2012-07-30 ABOUT THE BOOK I have just dropped into the very place I have been seeking but in everything it exceeds all my dreams Imagine a time when the wild west was still wild when no one knew what lay inside the dense forests blanketing Colorado's Rocky Mountains When grizzly bears still reigned supreme over California's forests and the night was filled with the sounds of night creatures Imagine a time when ruffians and desperados roamed the land inspiring both fear and awe in all those who saw them Imagine a time when Denver was a rough and ready town just recently brought under civil law and the ink on the document proclaiming Colorado's statehood was still wet The mountains were not yet riddled with mine shafts but hopes and dreams were just beginning to be smashed by the empty promises of wealth below the Earth's surface The year is 1873 and America is a wild place still recovering from a devastating civil war and learning how to be a country Colorado is a wilderness just beginning to be populated by miners settlers looking for a new life and

invalids grasping at the hope that the clean air will bring a cure It is a beautiful place full of promise but it is also a hard place that is more likely to break your heart It is to this Colorado that Isabella Bird a 43 year old English lady finds herself drawn EXCERPT FROM THE BOOK In 1873 Isabella Bird is 42 years old and she has mountain fever She yearns to immerse herself in the beauty and culture of Colorado s Rocky Mountains She doesn t care if she has to rough it a little she wants to ride a horse through dense forests and climb atop rocky crags to look down on the world from above Isabella s journey begins in San Francisco and quickly moves to the Sierra Nevadas where she is transfixed by the sparkling emerald beauty of Lake Tahoe and the tragic mountain gem of Donner Lake Dipping down on the easterly slope of the Sierras she begins a long and tedious crossing of the Plains Here she finds herself enclosed in an endless sea of grass that possesses all the loneliness of the ocean and none of the beauty Isabella is stifled by the heat and black flies that coat every surface The towns in which she stops are dreary outposts of no merit So she runs for the hills For weeks Isabella finds herself stuck in Canyon Colorado staying with the Chalmers family There is nothing beautiful about this place where everyone lives and breathes work She lends a hand where she can and bides her time until she can figure out a way to reach Estes Park the mountain land of her dreams Just when Isabella is about to give up hope of ever reaching Estes Park she finds two young men who will take her there The ride is beautiful and before she knows it they are at Rocky Mountain Jim s cabin at the mouth of Estes Park She is immediately struck by both the handsomeness brutality and charm of the ruffian He continues to be in her thoughts until she comes upon Evans s camp set up in a lovely meadow next to a picturesque lake She decides to stay in this idyllic setting until winter comes on Buy the book to continue reading Follow hyperink on Twitter Visit us at www.facebook.com/hyperink Go to www.hyperink.com to join our newsletter and get awesome freebies CHAPTER OUTLINE Isabella Bird s A Lady s Life in the Rocky Mountains About the Book Introducing the Author Overall Summary Chapter by Chapter Summary and Commentary and much more **A Lady's Life in the Rocky Mountains (1879) (Illustrated) by Isabella Bird**
