A Lifetime Of Words:

Inkspirations: Devotions for a Lifetime Mel Curtiss, 2017-10-18 Mel Curtiss brings to life a collection of personal stories infused with biblical lessons Short anecdotal stories profoundly simple in their delivery but enormously effective in communicating scriptural truths which can be applied to life real life as we live it each day **Words** Barbara Martin-Collette, 2019-08-08 Allowing words to be used as a GPS device one could travel from a positive position of a compass to a negative position of one The top of the compass can be compared to the words that encourage one to build his or her dreams Positive words can have the same effect as a traffic light The green light allows one to proceed in the direction in which one wishes to travel A direction full of prosperity encouragement and strong determination that will help one reach his or her destiny The bottom of the compass could be compared to the use of negative words which could destroy one's dreams hopes or ambition Negative words have the same effect as a knife being thrust into one's back or a bullet shot into someone's heart Be careful how you choose your words You can either tear someone down or help build them up **John: Loving Jesus and Keeping His Word** Paul Y. Lee, 2020-09-30 The passion of Paul Lee for Jesus drove him to write John Loving Jesus and Keeping His Word Here is one of the most profound reflections on the Gospel of John in our time Thoroughly researched and written in Lee's distinct voice this is a book I wish I had on my shelves fifty years ago and provides the kind of insight that will reach preachers scholars students and anyone who wishes to learn more about the living Christ for years to come Dr James B Mooneyhan Clergy Atlanta Area of the UMC The Gospel of John becomes alive anew with the reading of this book Dr Lee has compiled a contextual interpretation of the Gospel in a way that informs casual readers and yet challenges serious scholars and seminary students This is an invaluable resource in sermon preparation Bible studies Sunday school lessons or daily devotions This work is so extensive yet very understandable that it should be included in every serious student of the Scriptures I highly recommend this book Rev Dr Philip D DeMore Former District Superintendent of the UMC This book is the labor of a lifetime as Paul Lee shares the fruit of decades of living with the Gospel of John and for persons committed to serious study of the Bible The title itself is a challenge as the aim of every Christian My prayer for potential readers is that they will experience Jesus as Lord and Teacher love him more dearly and keep his word more faithfully Maxie Dunnam Former President of Asbury Seminary now Minister at Large Christ UMC Memphis TN The Gospel of John continues to be an inexhaustible source of Christian faith and theology Paul Lee has given us a fresh clear and faithful reading of John combining chapter by chapter overviews detailed commentary and insightful practical reflections on John's implications for Christian life and witness This book is an excellent resource for pastors teachers and anyone who desires a deeper encounter with the Johannine biblical text in relation to the New Testament Rev Dr Don E Saliers Candler School of Theology Emory University **Advertising and Selling**, 1922 *The Power of the Spoken Word* Eugene C.
