A Little Leaven:

ThirdWay, 1989-10 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture **A Little Leaven** Russell W. Galloway, First Presbyterian Church (Indianapolis, Ind.), 1945*

What If's of Life B. W. LeCorn, 2013-07 This book started with a conversation with a friend about how their life and my life could have been so different if certain things had happened at a certain point in time I was motivated to explore that proposition and my exploration led to the writing of this book I began to realize that so many of us reach back into the past for answers without realizing the amazing destiny that God has prepared for us if we would just decline to reach back and not ponder the what ifs One of the realities of life is the difficult process of decision making Once a decision has been made after extrapolating the best information available and at your disposal there should be a limited amount of what ifs **The National Preacher**, 1851 Christian Faith and Life, 1910 *Quest for the Kingdom* John M. Newman, 2011 A fascinating analysis that blends world history Western religion and Eastern mysticism *Quest for the Kingdom* by Dr John M Newman examines the kingdom of God as the historical Jesus describes it The book s premise holds that Jesus teachings include specific instructions for the quest to find and live in God s kingdom before death This powerful work favors fact and readers can revel in Jesus authentic teachings that describe the quest both as internal spiritual cultivation and the way to live in the world It is rare for a book on Christian theology to break new ground but Newman does this on two fronts the striking parallel of Jesus teachings with the ancient mysticism of yoga and the equally fascinating parallel between Jesus healing techniques and the practices of modern psychotherapists like Freud Newman is meticulous in drawing these original and unique parallels and they lift this work s premise to a non generic level that speaks to several audiences an accomplishment that sets the work apart from the pack In twenty accessible and engaging chapters like *The Kingdom of God* *The War of the Houses* *The Kingdom Is Like a Woman* *Spiritual Cultivation* and *The Exorcisms and Healings of Jesus* the reader watches Jesus at work healing and offering his parables at a communal meal In addition to elucidating the path to the kingdom that Jesus shared with his followers Newman explains and illustrates the voice print of Jesus his sage rhetorical strategies and distinctive discourse Newman brings Jesus parables to life with a penetrating analysis that enables the reader to experience Jesus mastery of metaphor and management of the unconscious trajectory of thought in the minds of his listeners A commanding new breakthrough in the understanding of the teachings and works of Jesus this book is a must read for academics and laypersons alike **Twelve sermons** James Battersby, 1881 , *Notes, Explanatory and Practical, on the First Epistle of Paul to the Corinthians* Albert Barnes, 1841 *Notes, explanatory and practical, on the First Epistle of Paul to the Corinthians. By Albert Barnes. Third edition. [With the text.]*, 1846
