7 Paths to God Joan Z. Borysenko, 1999-01-08 Just as many rivers lead to the sea there are many paths to God Each of

the seven primary energy centers of the human body the chakras corresponds to a specific path In this book Joan Borysenko tells you how a mystical moment can strike at any time when you are fully present in the moment when looking at a beautiful full moon a sunset walking in nature or looking into the eyes of a child When you are fully present in the moment you will be filled with a sense of awe and beauty and feel fully connected with the universe This book outlines the 7 paths complete with spiritual exercises giving the reader a sense of the most fruitful direction for their journey You will learn that you don't have to go to Nepal or go climb a mountain to have a mystical moment but in learning how to be fully present in your everyday life you will find that mystical moments can be found in the mundane the ordinary or also in the extraordinary *Words on Cassette*, 2002 R R Bowker Publishing, 2002 **Billboard**, 1997-12-06 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Meant to Be* Joyce Vissell, Barry Vissell, 2000-02-01 Presents a collection thirty eight true love stories *The Rebel Café* Stephen R. Duncan, 2018-11-01 Subterranean nightspots in 1950s New York and San Francisco were social cultural and political hothouses for left wing bohemians The art and antics of rebellious figures in 1950s American nightlife from the Beat Generation to eccentric jazz musicians and comedians have long fascinated fans and scholars alike In *The Rebel Café* Stephen R. Duncan flips the frame focusing on the New York and San Francisco bars nightclubs and coffeehouses from which these cultural icons emerged Duncan shows that the sexy smoky sites of bohemian Greenwich Village and North Beach offered not just entertainment but doorways to a new sociopolitical consciousness This book is a collective biography of the places that harbored beatniks blabbermouths hipsters playboys and partisans who altered the shape of postwar liberal politics and culture Throughout this period Duncan argues nightspots were crucial albeit informal institutions of the American democratic public sphere Amid the Red Scare's repressive politics the urban underground of New York and San Francisco acted as both a fallout shelter for left wingers and a laboratory for social experimentation Touching on literary figures from Norman Mailer and Amiri Baraka to Susan Sontag as well as performers ranging from Dave Brubeck to Maya Angelou to Lenny Bruce *The Rebel Café* profiles hot spots such as the Village Vanguard the hungry i the Black Cat Café and the White Horse Tavern Ultimately the book provides a deeper view of 1950s America not simply as the black and white precursor to the Technicolor flamboyance of the sixties but as a rich period of artistic expression and identity formation that blended cultural production and politics
