**John Holmes Agnew, Walter Hilliard
Bidwell**

A Loving Eye:

A Loving Eye Janice Elliott, 1979 A study of individuals working out their destinies against a vivid historical and social landscape **The Eclectic Magazine** John Holmes Agnew, Walter Hilliard Bidwell, 1845 **A Love That Lasts** Leigh Ann Roberts, 2001-07-15 FOREVER The idea of a love that would last forever was something that Cary Reiner had all but given up on after she was so painfully betrayed by her husband The life she'd always hoped to have as a wife and the mother of their son had been destroyed by selfish lust and she felt that her world had literally been turned upside down leaving her alone and hopeless When God leads a friend and former class mate named Bruce Dean back into her life she begins to see things differently Amid his friendship Cary learns that Bruce also a single parent has been in love with her for years His own life was filled with pain and regret however and he feels unworthy of Cary despite his love for her Only when they allow God to speak to them do they realize that all is not lost because of their past mistakes They learn that God's love can mend any heart repair any breach forgive any failure and win any battle As Bruce eagerly opens his heart to Cary she finds herself learning to live and love again and together they hope to find a love that lasts *Sonosyntactics* Paul Dutton, 2015-11-07 *Sonosyntactics* introduces the reader to over forty five years of Paul Dutton's diverse and inventive poetry ranging from lyrics prose poems and visual work to performance texts and scores Perhaps best known for his acclaimed solo sound performances and his contributions to the iconic sound poetry group The Four Horsemen Dutton is a surprising witty sensitive and innovative explorer of language and of the human This volume gathers a representative selection of his most significant and characteristic poetry together with a generous selection of uncollected new work *Sonosyntactics* demonstrates Dutton's willingness to re-invent and stretch language and to listen for new possibilities while at the same time engaging with his perennial concerns love sex music time thought humour the materiality of language and poetry itself Gary Barwin's introduction outlines the major subjects and techniques of Dutton's poetry an intricate weaving of thought and language sound and emotion sound and sense and the unfolding of a text through the logic of language play such as puns paradoxes ambiguity and sound relations In an afterword by Dutton himself the poet insightfully lays out the terms of his engagement with the materiality both visual and aural of language often beyond the purely recountable representational or depictive
