A Maine Town Responds Next Steps Publishing, Paul J. Ledman, 2003-01-01 **The Northern Home Front during the Civil War** Paul A. Cimbala, Randall M. Miller, 2017-02-16 This book comprehensively covers the wide geographical range of the northern home fronts during the Civil War emphasizing the diverse ways people interpreted responded to and adapted to war by their ideas interests and actions The Northern Home Front during the Civil War provides the first extensive treatment of the northern home front mobilizing for war in two decades It collates a vast and growing scholarship on the many aspects of a citizenship organizing for and against war The text focuses attention on the roles of women blacks immigrants and other individuals who typically fall outside of scrutiny in studies of American war making society and provides new information on subjects such as raising money for war civil liberties in wartime the role of returning soldiers in society religion relief work popular culture and building support for the cause of the Union and freedom Organized topically the book covers the geographic breadth of the diverse northern home fronts during the Civil War The chapters supply self contained studies of specific aspects of life work relief home life religion and political affairs to name only a few This clearly written and immensely readable book reveals the key moments and gradual developments over time that influenced northerners understanding of participation in and reactions to the costs and promise of a great civil war **Lincoln's Darkest Year**

William Marvel, 2018-06-01 A portrait of a pivotal chapter in the Civil War featuring scheming politicians bumbling generals and an increasingly disheartened Northern public Brooks Simpson author of *Ulysses S Grant Triumph Over Adversity 1822 1865* In *Mr Lincoln Goes to War* award winning historian William Marvel focused on President Abraham Lincoln's first year in office In *Lincoln's Darkest Year* he paints a picture of 1862 again relying on recently unearthed primary sources and little known accounts to offer newfound detail of this tumultuous period Marvel highlights not just the actions but also the deeper motivations of major figures including Gen Ulysses S Grant Jefferson Davis George B McClellan Stonewall Jackson and most notably Lincoln himself As the action darts from the White House to the battlefields and back the author sheds new light on the hardships endured by everyday citizens and the substantial and sustained public opposition to the war Combining fluid prose and scholarship with the skills of an investigative historical detective Marvel unearths the true story of our nation's greatest crisis *A Forgotten Landscape: How A Place Called Crockett's Corner Became The Maine Mall* M.M. Drymon

PhD, 2015-10-25 A place called Crockett's Corner began as a seventeenth century colonial settlement that grew into a stable and sustainable nineteenth century American agrarian landscape During the twentieth century in a rapid but staged process the landscape was changed into an edge city These changes were the direct result especially after 1938 of prevailing public policies which acted to constrain some land uses while supporting others Landscape change has had unintended consequences including local social network destruction historic building demolition and unmitigated air and non point source water pollution Raising awareness of the deep history of this place may help empower advocates for historic

preservation open space environmental protection and more sustainable land use practices in the future **A Town**

Responds: Cape Elizabeth, Maine in the Civil War Paul J. Ledman,1999 *Portland Maine: Connections Across Time*

Paul Ledman,2023-06-10 Ever since the early 1600s when the first Europeans set foot on the peninsula that was to later become the City of Portland the city s social and economic history has been shaped by national and international events Some of these events are very well known while others have been mostly forgotten but all of them have influenced the city in both tangible and intangible ways This book looks at the growth of Portland and provides the historical background to help explain why the city and its diverse neighborhoods developed the way they did Photos maps and other archival evidence add richness to Portland Maine Connections Across Time and give a whole new perspective on the urban environment
