Palabras y memorias de un escritor Francisco Martín Martín, 2007 La lectura de la obra literaria de Jos Luis Sampedro narrativa teatro y poes a revela de inmediato dos intereses cardinales imprescindibles para comprender la escritura del autor que funcionan a modo de polos entre la constitución de su creación literaria memoria y plenitud Con estas premisas como llave de la veracidad de la trascendencia y de las infinitas posibilidades de la imaginación Jos Luis Sampedro ordena un estado de disponibilidad creativo que nos hace descubrir la tica frente a la estética de la vida Estas visiones del instante absoluto que se eterniza por su plenitud las escenas de amor y sexo tienen carácter de revelador y transformador en todas las novelas de Sampedro no hacen más que ilustrar su propia teoría humana A partir de la precaria temporalidad del tiempo que lleva en sí a la muerte la palabra de Jos Luis Sampedro nos conquista la eternidad amor y muerte dignidad y vejez tiempo y memoria

Live Flesh Santiago Fouz-Hernández, Alfredo Martínez-Exposito, 2007-06-29 In post Franco Spain a re-shaping of notions of the masculine has been under way for some time The authors of Live Flesh demonstrate how contemporary Spanish films during this modern period have contributed to this process They do so by visualizing the ways in which Spanish men have been abandoning old self images and adopting new ones and they explain and explore the complexity and diversity of these fresh cinematic creations of masculine identities The book's point of focus is Spanish films of the democratic period both popular and auteur made by directors of national and international prominence such as Pedro Almodovar Alejandro Amenabar Bigas Luna or Julio Medem as well as films featuring acclaimed actors who have contributed to the construction of contemporary ideas of the masculine in their country including Antonio Banderas and Javier Bardem Using a fresh theoretical framework embracing queer and feminist theory and concepts of nation race and class each chapter examines key films that represent the male body highlighting notable elements young muscular homosexual disabled foreign and so on and goes on to focus on recent case studies from the early 1990s to the present An increasingly transnational Spanish cinema is a most promising field in which to explore questions of how male bodies are represented and mediated in film Live Flesh more than fulfils this promise and goes further to reveal how these representations have intervened in the Spanish cultural imagination
