America Street Anne Mazer,1996 *America Street* Anne Mazer,1996 *America Street* Perfection Learning Corporation,2021-02 **Rethinking Small-Group Instruction in the Intermediate Grades** Nancy N. Boyles,2011 Small group instruction becomes a strategic differentiated tool for Response to Intervention in Dr Nancy N Boyle s new resource **Rethinking Small group Instruction in the Intermediate Grades** In this complete and ready to go resource Dr Boyles answers key questions about transforming small group instruction to meet RTI objectives How can I teach comprehension strategies during small group instruction How do I align high stakes standards with comprehension objectives Where do fluency vocabulary and author s craft fit in small group discussion How can I explicitly teach skills and promote meaningful discussions and How do I effectively include intermediate grade students who function at a primary level **Rethinking Small group Instruction in the Intermediate Grades** provides sixteen options to differentiate small group instruction Teachers focus on reinforcing comprehension skills and strategies while explicitly teaching students how to construct basic meaning about both literary and informational texts and master the art of discourse which leads to higher level critical and creative thinking Boyles shows intermediate teachers how to embed the Common Core State Standards into small group instruction and provides all of the rubrics checklists planning templates and prompts necessary to implement these instructional formats in both the book and the included CD The useful CD also contains target sheets matched to each objective that explain how to find the best evidence to meet the objective Let **Rethinking Small group Instruction** maximize the power of your small group instruction to differentiate your teaching and efficiently meet RTI goals and national standards at the same time **America Street** Anne Mazer,2009-07-01 Short stories about young people of different cultures growing up in American society

Ethnic American Literature Emmanuel S. Nelson,2015-02-17 Unlike any other book of its kind this volume celebrates published works from a broad range of American ethnic groups not often featured in the typical canon of literature This culturally rich encyclopedia contains 160 alphabetically arranged entries on African American Asian American Latino a and Native American literary traditions among others The book introduces the uniquely American mosaic of multicultural literature by chronicling the achievements of American writers of non European descent and highlighting the ethnic diversity of works from the colonial era to the present The work features engaging topics like the civil rights movement bilingualism assimilation and border narratives Entries provide historical overviews of literary periods along with profiles of major authors and great works including Toni Morrison Maxine Hong Kingston Maya Angelou Sherman Alexie A Raisin in the Sun

American Born Chinese and The House on Mango Street The book also provides concise overviews of genres not often featured in textbooks like the Chinese American novel African American young adult literature Mexican American autobiography and Cuban American poetry **No More "Us" and "Them"** Lesley Roessing,2012-06-07 It is imperative that teachers build community in their classrooms and across their academic teams and grades in order to make school a safe and supportive place for adolescents Teachers must help their students acknowledge that they belong to a group together that they are part of a we or us and that any differences divergent talents backgrounds experiences cultures and skills only make us stronger and better No More Us and Them delineates what steps educators can take to create an atmosphere where adolescent students feel accepted included and valuable to themselves and to their peers The goal of this book is to change adolescent attitudes to lead to not just acceptance and tolerance but toward an expansion of us and respect for their classmates that will serve to spread an even wider net of respect This book provides ideas for lessons and activities that can be integrated into existing curricula and that meet a variety of content area standards in language arts social studies science mathematics foreign languages physical education art and music while also proposing ideas for advisory or homeroom periods and class team and grade gatherings to build respect in our classrooms our schools and our communities
