B. Guy Peters

American Bureaucracy Public Choice And Public Law:

American Bureaucracy Glen O. Robinson, 1991 A critical synthesis of social theory about government bureaucracy and law
Independent Agencies in the United States Professor Marshall J. Breger, Professor Gary J. Edles, 2015-04-01
Independent Agencies in the United States provides a full length study of the structure and workings of federal independent regulatory agencies in the US focusing on traditional multi member agencies such as the Securities and Exchange Commission the Federal Communications Commission the National Labor Relations Board and the Federal Trade Commission It recognizes that the changing kaleidoscope of modern life has led Congress to create innovative and idiosyncratic administrative structures including government corporations government sponsored enterprises governance public private partnerships systems for contracting out self regulation and incorporation by reference of private standards
Protecting American Health Care Consumers Eleanor D. Kinney, 2002-05-08 A contribution to health care studies and administrative law which offers a humane and practical alternative to the current process of reviewing consumer health care complaints
American Public Policy B. Guy Peters, 2021-07-29 *American Public Policy* provides a comprehensive overview of the policy making process From procedural approaches and policy instruments to in depth analysis of specific policy issues bestselling author B Guy Peters does not shy away from the complexity of governmental procedure and ensures that the mechanisms of the policy process are understandable through the discussion of topical policy areas The Twelfth Edition shows readers how the background for policy in the United States has changed dramatically over the past several years in the midst of political polarization and gridlock unemployment and recessions and calls for greater diversity and inclusion New topics include the eroding trust in government the COVID 19 pandemic and relief packages the expanding national debt the rising costs of health care and calls for Medicare for All the rollback of environmental regulations under the Trump administration and the rebuilding of alliances abroad Included with this text The online resources for your text are available via the password protected Instructor Resource Site
American Public Policy: Promise and Performance, 9th Edition B. Guy Peters, 2012-10-16 Voting and elections may often be cited as the most entertaining aspect of political theatre however it is the arena of public policy that has the most direct impact on the lives of the citizenry And as we have seen played out in recent debates over healthcare reform policy changes can be dramatic sweeping and often hotly contested Known for providing a trusted and comprehensive overview of the policy process B Guy Peters returns with the ninth edition of *American Public Policy Promise and Performance* Beyond walking students through the governmental structures and policy making procedures Peters efficiently covers a wide swath of policy areas and then concludes with a look at both cost benefit analysis and ethical analysis Framed in context of the aftermath of the financial crisis and Great Recession the ninth edition considers how policy has been impacted by persistent unemployment and growing income inequality In addition Peters discusses the strain on education budgets increased oversight of financial activities fiscal policies meant to stimulate

the economy and the political challenge of balancing the budget in light of increased public spending How Courts Impact Federal Administrative Behavior Robert J. Hume, 2009-05-07 What impact do federal courts have on the administrative agencies of the federal government How do agencies react to the decisions of federal courts This book answers these questions by examining the responses of federal agencies to the U S Courts of Appeals revealing what happens inside agencies after courts rule against them Robert J Hume draws upon dozens of interviews with current and former administrators taking readers behind the scenes of these organizations to reveal their internal procedures their attitudes about courts and their surprising capacity to be influenced by a judge s choice of words This fascinating study will be of interest to students and scholars of politics as well as those seeking great understanding of the intricacies of the US political system **Ibss: Political Science: 1991** British Library of Political and Economic Science, 1993 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences **Public Choice and Public Law** Maxwell L. Stearns, 1997 *Public Values in Constitutional Law* Stephen E. Gottlieb, 1993 Critical examination of the concept of compelling government interests *Regulation, Organizations, and Politics* Lawrence S. Rothenberg, 1994 A major study of federal regulation
