Anonymous Lover:

The Anonymous Lovers Sr. Maria Regina Chinyere ugwu, If to love is a crime then we are all guilty But love is like a funny business and to marry without love is very dangerous We need to pray before entering into any relationship Ask God to direct you because for every woman there is a man and for every man there is a woman May the spirit move you to discover and possess what is yours Enjoy the reading and discover the treasure of this love story **The Anonymous Lover** John Logan, 1973-06-01 *The Anonymous Lover* John Logan, 1973 *The Household Book of Poetry* Charles Anderson Dana, 1906 **Household Book of Poetry** Charles A. Dana, 2023-11-20 Reprint of the original first published in 1875

Kierkegaard's Authorship George E. Arbaugh, George B. Arbaugh, 2024-01-15 First published in English in 1968 Kierkegaard's Authorship begins with a brief account of the life and meaning of Kierkegaard and concludes with the brief treatment of his relation to multifaceted existentialism By reviewing the total authorship and by making available much of the fruit of widespread research this work throws into relief Kierkegaard's central purposes and makes it possible to avoid some of the dubious interpretations which have grown out of more narrowly selective study This critical introduction and guide is especially important because Kierkegaard's style was deliberately indirect and distorted and even more because half of the works are actually antagonistic to Kierkegaard's own views By the pseudonymous works he intended to lead into truth through a process of frustration provoking the reader into existence In another sense the body of the book is also a biography for in a degree perhaps without parallel in world history the library which he created was his deed and life This is an important read for scholars and researchers of Philosophy specially existentialism A Commentary on Virgil's Eclogues Andrea Cucchiarelli, 2023 In this commentary accompanied by a detailed introduction Andrea Cucchiarelli offers a detailed analysis of Virgil's Eclogues He establishes comparisons with both Greek and Roman poetic models and with significant other texts and provides the first systematic account of the poem in its historical context **Subversive Silences** Helene Carol Weldt-Basson, 2009 Weldt Basson Spanish Wayne State U investigates how seven Latin American women writers of the twentieth and twenty first centuries have used the concept of submissive silence in their works as a sign of women's rebellion against the passive silence imposed by patriarchy Using different theoretical perspectives in each chapter she demonstrates how Marta Brunet Maria Luisa Bombal Rosario Castellanos Isabel Allende Rosario Ferre Laura Esquivel and Sandra Cisneros have used silence thematically and stylistically through hyperbole coding irony parody and cultural symbol and how silence reflects different time periods and countries *The Way of Lovers: The Oxford Anonymous Commentary on the Song of Songs (Bodleian Library, MS Opp. 625)* Sara Japhet, Barry Dov Walfish, 2017-06-12 This extraordinary commentary by a late twelfth century anonymous northern French exegete interprets the Song of Songs solely according to its plain meaning as a story of two young lovers and their developing relationship The exegete pays attention to every detail of the text offering many enlightening insights into its meaning all the while expanding upon the way of lovers the ways that young people in

love go about their lovemaking The French background of the exegete is made clear by numerous references to knights coats of arms weapons chivalry and of course wine drinking The edition is accompanied by an English translation and extensive introduction which analyzes the various linguistic literary and exegetical features of the text *Riven by Lust* Jonathan A. Silk, 2008-10-31 *Riven by Lust* explores the tale of a man accused of causing the fundamental schism in early Indian Buddhism but not before he has sex with his mother and kills his father In tracing this Indian Buddhist Oedipal tale Jonathan Silk follows it through texts in all of the major canonical languages of Buddhism Sanskrit Pali Tibetan Chinese and Japanese along the way noting parallels and contrasts with classical and medieval European stories such as the legend of the Oedipal Judas Simultaneously he investigates the psychological and anthropological understandings of the tale of mother son incest in light of contemporary psychological and anthropological understandings of incest with special attention to the question of why we consider it among the worst of crimes In seeking to understand how the story worked in Indian texts and for Indian audiences as well as how it might work for modern readers this book has both horizontal and vertical dimensions probing the place of the Oedipal in Indian culture Buddhist and non Buddhist and simultaneously framing the Indian Oedipal within broader human concerns thereby contributing to the study of the history of Buddhism the transmission of narratives in the ancient world and the fundamental nature of one aspect of human sexuality Starting from a brief reference in a polemical treatise *Riven by Lust* demonstrates that its authors borrowed and intentionally adapted a preexisting story of an Oedipal antihero This recasting allowed them to calumniate their opponents in the strongest possible terms through the rhetoric of murder and incest Silk draws on a wide variety of sources to demonstrate the range of thinking about incest in Indian Buddhist culture thereby uncovering the strategies and working methods of the ancient polemicists He argues that Indian Buddhists and Hindus while occupying the same world for the most part thought differently about fundamental issues such as incest and hints at the consequent necessity of a reappraisal of our notions of the shape of the ancient cultural sphere they shared Provocative and innovative *Riven by Lust* is a paradigmatic analysis of a major theme of world mythology and a signal contribution to the study of the history of incest and comparative sexualities It will attract readers interested in Buddhism Indian studies Asian studies comparative culture mythology psychology and the history of sexuality
