All My Relations A Prayer Signed:

All My Relations Susan Chernak McElroy, 2010-10-14 In *All My Relations* Susan Chernak McElroy offers ten poignant stories examining such concepts as ownership naming and unnamings things interpreting signs and language and animals as mirrors of the soul In these pages you ll meet Fashion the old arthritic mare who reminds the author of the joys of giving for its own sake Kulu the zoo chimpanzee who adopts the author as a surrogate mother and demonstrates the heartbreaking realities of captivity and a host of other critters who will capture your heart and stir your soul The meditations and practices that accompany the stories will guide you toward a deeper connection with both the animal world and your own stories

The Sunday scholar's own book William St. George Sargent, 1865 *Struck By Living (2nd Edition)* Julie Hersch, 2016-12-20 *Struck by Living* originally published in 2010 is a story about me Julie Kosnik Hersch my experience with electroconvulsive therapy ECT and management of depression This new version includes a prologue detailing the strange series of events this book spurred as well as a wellness list in the back On the original book tour I decided it was too depressing to just talk about my depression so I talked about how I stayed well too People scribbled down these ideas like gospel which they aren t They are common sense ideas I ve learned from years of psychotherapy my own reading and talking to people about this topic I ve included these ideas in this new edition so people don t have to scribble I love to read so I wrote this book like a novel instead of like a self help book I m not a fan of self help books as most of them claim to be the answer The older I get the more I realize how little I know I do know there is no single answer for managing mental illness This is a life long task where we all have to figure out our own quirks and how to manage them If my story can help you figure this out great Each time I speak about my experience I find people are often one step removed from the devastation of mental illness or even suicide Stories about mothers fathers brothers sisters spouses and children all make me wonder Could we have stopped those deaths If we are more aware can we see the signs earlier and save a life I think we can In that belief I offer my story Proceeds from this book will be donated to programs and research to battle mental illness *Sacred Woman* Queen Afua, 2012-06-20 The twentieth anniversary edition of a transformative blueprint for ancestral healing featuring new material and gateways from the renowned herbalist natural health expert and healer of women s bodies and souls This book was one of the first that helped me start practices as a young woman that focused on my body and spirit as one Jada Pinkett Smith Through extraordinary meditations affirmations holistic healing plant based medicine KMT temple teachings and The Rites of Passage guidance Queen Afua teaches us how to love and rejoice in our bodies by spiritualizing the words we speak the foods we eat the relationships we attract the spaces we live and work in and the transcendent woman spirit we manifest With love wisdom and passion Queen Afua guides us to accept our mission and our mantle as Sacred Women to heal ourselves the generations of women in our families our communities and our world **Personal Prayer: A Guide for Receiving the Father's Love** Fr.
