

Lecture 1: Welcome to Positive Psychology!

- So what is positive psychology?
- Uses science to study things like:
 - Positive emotions, psychological growth, human strengths
 - What makes life worth living!
- **How do we tell how well a country is doing these days?**
 - Gross domestic product (GDP) -- how much money is a country generating!
 - Countries can be evil
 - 1968 - Bobby Kennedy -- "GDP does not really work, does not include the other aspects of our world, does not measure wit, compassion, integrity etc"
 - GNH: every human being aspires for happiness, and countries should measure the happiness of its people (gross national happiness)
 - Influenced by Butan
 - Strive for development with values
 - UK assessing happiness, but not USA
 - Americans are in a very smiley place but are not doing that well
 - Number 15 on 20 happiest countries
 - Why is USA unhappy?
 - No healthcare support (health and happiness strongly correlated)
 - We do not use our vacation time.
- **PP: The study of what is right about people; what makes life worthwhile**
 - Psychology has a focus on clinical aspects that are very negative
 - PP is something is not focused on that much, what people really care about, how to become happy, can we change that person?
- **PP is not Happiology**
 - Unhealthy to be happy 24/7

Lecture 2: The Origins of Positive Psychology

- **Ancient History of Happiness Interest**
 - People who speak about positive psychology believe it was invented in the 2000s
 - Actually has been here since Buddha, thousands of years
 - Mediation, middle path, peace, compassion for all, focus on happiness
 - Socrates, Confucius, Frankl, Epicurus
 - Has been studied in very different ways, not in a field of psychology yet
 - Happiness depends on ourselves, essential as a central purpose of human life and goal itself (Aristotle)
 - Eudaimonia, as opposed to hedonics
 - A term that comes from philosophy
 - Passing positive emotions versus dispositional life meaning stuff
 - Do you have life meaning and purpose? (Eudaimonia)
 - How are you feeling right now? Are you happy or calm (Hedonism)
 - Confusing because happiness will be used in different ways in this course

Positive Psychology Guide Introduction

In the digital age, access to information has become easier than ever before. The ability to download Positive Psychology Guide has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Positive Psychology Guide has opened up a world of possibilities. Downloading Positive Psychology Guide provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Positive Psychology Guide has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Positive Psychology Guide. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Positive Psychology Guide. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Positive Psychology Guide, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and

validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Positive Psychology Guide has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
