Six major themes, along with the traditional core marketing principles, are blended together. Age of the consumer: This book places the customer at the heart of tourism marketing and not the sector's promotional apparatus. Experiences: It highlights the growing consumer interest in the enjoyment of experiences and experiential marketing. New media: Social media and e-marketing are given emphasis throughout. Events: This book treats events as a major tourism marketing topic and integrates events within the concept of experiential marketing. Written in an engaging and accessible style, *Tourism Marketing In the Age of the Consumer* is richly illustrated and full of actual case studies and examples, looking at a wide variety of topics such as slum tourism, the sharing economy, staycations, event bidding, coping with COVID-19, air travel emissions, and many more.
