Inspiring Green Consumer Choices Michael E. Smith, 2021-09-03 While many consumers profess a desire to help end climate change by engaging in more sustainable behaviors consumer behavior experts note the say do gap between expressed intention and behavior How do we explain this What if anything can consumers be encouraged to do to close this gap and purchase sustainable products and services Inspiring Green Consumer Choices explains the factors that underlie the discrepancy between consumers expressed preferences and their incongruous behavior in the marketplace Drawing from advances in neuroscience behavioral economics and experimental psychology the author reveals how marketplace behavior is not always rational Instead it is frequently the product of mental shortcuts triggered by situational cues and colored by

implicit emotional responses In making purchasing decisions routine consumer behavior is governed less by intention than by mental habits and unconscious response biases These tendencies are difficult but not impossible to change Inspiring Green Consumer Choices outlines how techniques such as psychological framing design of choice architectures and pricing strategy can be used to disrupt habits and promote sustainable behavior The author also addresses the role that legislative policy and changing social norms can play in accelerating and sustaining behavior change Illustrated with case studies and filled with best practices Inspiring Green Consumer Choices helps marketers understand how consumers make purchase decisions in order to shift consumption choices towards a more sustainable future The New Frontiers of Fashion Law Rossella Esther

Cerchia,Barbara Pozzo,2021-01-13 Fashion law encompasses a wide variety of issues that concern an article of clothing or a fashion accessory starting from the moment they are designed and following them through distribution and marketing phases all the way until they reach the end user Contract law intellectual property company law tax law international trade and customs law are of fundamental importance in defining this new field of law that is gradually taking shape This volume focuses on the new frontiers of fashion law taking into account the various fields that have recently emerged as being of great interest for the entire fashion world from sustainable fashion to wearable technologies from new remedies to cultural appropriation to the regulation of model weight from advertising law on the digital market to the impact of new technologies on product distribution The purpose is to stimulate discussion on contemporary problems that have the potential to define new boundaries of fashion law such as the impact of the heightened ethical sensitivity of consumers who increasingly require effective solutions that a comparative law perspective renders more interesting The volume seeks to sketch out the new legal fields in which the fashion industry is getting involved identifying the new boundaries of fashion law that existing literature has not dealt with in a comprehensive manner Lonely Planet Best of Thailand Lonely Planet,2018-08-03 Lonely Planet
