Thakur,2018-02-12 The Rise Of Divine Feminine is a dedication to all warriors of the light who sacrificed their lives for bringing forward the truth about what is so wrong in the world today The problems we face today collectively in the world are not the big things they are very small issues buried deep in the psyche of the human mind Our failure to understand this has led to the root of all our problems in the outer world This book attempts to bring to light these small issues of our mind and help us understand how the mind can be either our most dangerous enemy or our most dedicated friend Through spirituality and scientific support we can reverse this imbalance This book is a soft knock on our minds to wake us and show us who we really are and seize our power by discovering the wonders of our human mind and to reclaim our position as God s most wonderful creation The Rise of Divine Feminine is a book for today s new generation It is an initiative to understand the root of all our human problems and upgrade our knowledge on this subject to create legendary humans **New Age**

Capitalism Kimberly J. Lau,2015-11-10 The pursuit of health and wellness has become a fundamental and familiar part of everyday life in America We are surrounded by an enticing world of products practices and promotions assuring health and happiness cereal boxes claim that their contents can reduce the risk of heart disease bars of aromatherapy soap seek to wash away our stresses newspapers celebrate the wonders of the latest superfoods and herbal remedies No longer confined to the domain of Western medicine suggestions for healthy living often turn to alternatives originating in distant times and places in cultures very different from our own Diets from ancient or remote groups are presented as cures for everything from colds to cancer exercise regimens based on Eastern philosophies are heralded as paths to physical health and spiritual wellbeing In New Age Capitalism Kimberly Lau examines the ideological work that has created this billion dollar business and allowed Eastern and other non Western traditions to be coopted by Western capitalism Extending the orientalist logic to the business of health and wellness American companies have created a lucrative and competitive market for their products encouraging consumers to believe that they are making the right choices for personal as well as planetary health In reality alternative health practices have been commodified for an American public longing not only for health and wellness but also for authenticity tradition and a connection to the cultures of an imagined Edenic past Although consumers might prefer to buy into authentic non Western therapies New Age Capitalism argues that the market economy makes this goal unattainable
