Arab Migration In A Globalized World:

Arab Migration in a Globalized World International Organization for Migration, League of Arab States, 2004 This publication contains papers presented at a regional conference on Arab migration held in Cairo in September 2003 This conference was organised jointly by the League of Arab States and the International Organization for Migration and brought together representatives of governments and international organisations academics and practitioners to consider how migration affects and is in turn affected by the countries and peoples of the region Issues discussed include international migration and the challenges of globalisation Arab migration patterns in the Mashreq Maghreb and Gulf regions sources of remittances the exodus of skilled labour and its impact on development a study of Egyptian return migrants human rights and foreign contract labour and the links of Arab diasporas to their countries of origin Arab Migration in a Globalized World ,2014 Narratives of Dislocation in the Arab World Nadeen Dakkak, 2023-03-08 This monograph explores and investigates narratives of physical psychological and emotional dislocation that take place within the Arab world approaching them as manifestations of the Arabic word ghurba or estrangement as a feeling and state of being Distancing itself from the centrality of the West in postcolonial and Arabic literary studies the book explores experiences of migration displacement and cosmopolitanism that do not directly ensue from the encounter with Europe or the European other Covering texts from the Levant Egypt the Arabian Peninsula and beyond from the 19th 20th and 21st centuries the book grounds narratives of dislocation in the political social and cultural structures that affect the everyday lived experiences of individuals and communities An analysis of Arabic Turkish and English texts encompassing fiction memoirs and translations highlights less visible narratives of ghurba specifically amongst ethnic minorities and religious communities Ultimately the chapters contribute to a picture of the Arab world as a place of ghurba where mobile and immobile subjects foreigners and local inhabitants alike encounter alienation Bringing together a diverse range of academic perspectives the book will be of interest to students and scholars in postcolonial and comparative literary studies history and Arabic and Middle East studies

World Order from the People's Perspective in the Middle East Shingo Hamanaka, Hiroyuki Aoyama, Yutaka Takaoka, 2024-11-13 The Arab Spring demonstrated the crucial importance of understanding the political awareness and behavior of the general public This book employs original survey data to examine the political attitudes perceptions of international relations and experiences and preferences related to cross border migration among ordinary people in the Middle East We have conducted a decade long study of Middle East public opinion utilizing two research concepts The first is the political cognitive map which constructs the international system i e the relations among major powers from public opinion data The second is the experience and preferences of cross border migration which enables us to analyze the problems of immigration refugees and terrorist infiltration Through these two research concepts we have attempted to understand the order and dynamics of the Middle East region This book opens new horizons for the study of Middle Eastern

politics **World Education Patterns in the Global South** C. C. Wolhuter, 2022-09-01 World Education Patterns in the Global South surveys the educational responses and new educational landscapes being developed as a consequence of the powerful global forces that are demanding change within the Global South's educational contexts including Central and South East Asia Latin America and the Caribbean

The Migrant in Arab Literature Martina Censi, Maria Elena Paniconi, 2022-12-20 This edited book offers a collection of fresh and critical essays that explore the representation of the migrant subject in modern and contemporary Arabic literature and discuss its role in shaping new forms of transcultural and transnational identities The selection of essays in this volume offers a set of new insights on a cluster of tropes self discovery alienation nostalgia transmission and translation of knowledge sense of exile reconfiguration of the relationship with the past and the identity and the building of transnational identity A coherent yet multi faceted narrative of micro stories and of transcultural and transnational Arab identities will emerge from the essays the volume aims at reversing the traditional perspective according to which a migrant subject is a non political actor In contrast to many books about migration and literature this one explores how the migrant subject becomes a specific literary trope a catalyst of modern alienation displacement and uncertain identity suggesting new forms of subjectification Multiple representations of the migrant subject inform and perform the possibility of new post national and transcultural individual and group identities and actively contribute to rewriting and decolonizing history

Asia Journal of Global Studies Derrick M. Nault, 2012 Published twice yearly the Asia Journal of Global Studies AJGS is the official journal of the Asia Association for Global Studies AAGS The journal features research articles on Asia and other world regions from an Asian perspective Multidisciplinary in scope AJGS accepts contributions from authors with backgrounds in the humanities and social sciences The journal encourages historians political scientists sociologists anthropologists linguists philosophers and others to submit their work for consideration It particularly welcomes research that dissolves academic boundaries looks beyond traditional notions of the nation state and aims for a holistic view of the past present and future

Global Crossings Alvaro Vargas Llosa, 2013-06-01 Immigration still elicits fear and mistrust and not just on the part of the receiving society despite having occurred for thousands of years throughout human history Communities from which people migrate often disapprove of the migrants decision and consider it treacherous The recent reawakening of the debate about immigration in the new millennium has evoked intense emotion particularly in the United States and Europe Global Crossings cuts through the jungle of myth falsehood and misrepresentation that dominates the debate clarifying the causes and consequences of human migration Why do millions of people continue to risk their lives and oftentimes lose them in the pursuit of a chance to establish themselves in a foreign land The book first looks at the immigrant experience which connects the present to the past and America to the rest of the world and explores who migrants are and why they move The conduct of migrants today is no different than that of migrants in the past And contrary to the claims by immigration critics the patterns of contemporary migration do not differ

fundamentally from those of other epochs Global Crossings then discusses immigration regarding culture To what degree are foreigners culturally different Can natives adapt Can immigrants assimilate into the new society In assessing whether critics are justified in pointing to a major cultural shift Alvaro Vargas Llosa reviews such topics as religion education entrepreneurial spirit and attitudes toward the receiving society The book then analyzes such economic factors as jobs wages education and the welfare state How can an economy continue to operate even in the face of major legal obstacles and how have recessions and times of prosperity influenced more significantly than government efforts the number of immigrants coming into the United States and other countries Vargas Llosa finds that immigration s contributions to an economy far outweigh the costs Finally Global Crossings makes a call for open minds and provides a pro immigration agenda for reform The erosion of national boundaries and even the idea of the nation state is already underway as people become ever more inter connected across borders This process will make immigration a defining force in the arena of competitive globalization and the people of those countries who embrace immigration will enjoy more prosperous peaceful and freer lives in the emerging world

A Study on the Dynamics of the Egyptian Diaspora: Strengthening Development Linkages , **Global Diversity** Ernest Gundling, Anita Zanchettin, 2011-07-12 A guide to achieving the inclusive global organization from the world s most experienced team Mastering global business requires that leaders and managers fully understand the differences that exist within countries as well as between them To succeed in China knowledge of the local culture is essential but which culture Many businesspeople are aware that considerable variety exists but lack the knowledge and tools to leverage this insight The most successful business strategies rely on embracing the depth and breadth of diversity in local customers employees and suppliers Drawing on the authors years of hands on experience Global Diversity presents the key cultural variables relevant in eight major markets China Egypt India Japan Mexico Russia the United Kingdom and the United States Each country is explored in depth especially the culture within cultures and recommendations are made for realizing local market opportunities as well as creating an inclusive workforce Global Diversity takes into account the true variety that exists within each country while enabling every employee in a global enterprise to become an engaged and accountable contributor Vital cultural insights are presented for individual managers selling their products and services in foreign markets expatriates working with headquarters and with subsidiary operations leaders looking to leverage capabilities of their employees in key growth markets and diversity professionals who aim to extend corporate diversity initiatives abroad The final chapter provides a six step approach to developing an effective global inclusion strategy for any region of the world
