Apuleius Metamorphoses Loeb Classical Library No 453:

The Loeb Classical Library. No. 453, G. P. Goold, J. Arthur Hanson, 1989 *The Shadows of Socrates* Matt Gatton, 2024-02-06 The death of Socrates may be the most famous unsolved murder in history Set during the Peloponnesian War this narrative solves that mystery revealing for the first time how the philosopher was set up who did it and why The influence of the ancient Greek philosopher Socrates has been profound Even today over two thousand years after his death he remains one of the most renowned humans to have ever lived occupying a stratum with the likes of Buddha Jesus Muhammed Confucius and Moses It may not be too much to say that Socrates is the single most recognizable name in the history of all humanity The death of Socrates is in some ways the most famous unsolved murder mystery in history This book will solve the mystery revealing for the first time how he was set up who did it and why What follows is not a philosophical tract but something closer to a novel made all the more compelling because it s true This is a real life whodunit intertwined with a long running war rivalry sex addiction betrayal sedition starvation and epic bravery Socrates was the most rational of men living in the most irrational of times There is another side to this story impiety lack of reverence for the gods was a religious crime From the perspective of the religious authorities of the time the charge of impiety against Socrates was warranted his trial just and the penalty appropriate The priests did not tolerate scrutiny even in the form of philosophical critique To understand what happened and how it happened we have to come to terms with the motives of the priests and as importantly Socrates motives in provoking them His trial is perhaps first but not last great battle between philosophy and religion The repercussions of this ancient epic apply equally to the West today as Athens also endured pendulum swings between democracy and oligarchy always with bloodshed and never with Socrates s approval **Many Convincing Proofs** Stephen S. Liggins, 2016-03-21 While there have been various studies examining the contents of the evangelistic proclamation in Acts and various studies examining from one angle or another individual persuasive phenomena described in Acts e g the use of the Jewish Scriptures no individual studies have sought to identify the key persuasive phenomena presented by Luke in this book or to analyse their impact upon the book s early audiences This study identifies four key phenomena the Jewish Scriptures witnessed supernatural events the Christian community and Greco Roman cultural interaction By employing a textual analysis of Acts that takes into account both narrative and socio historical contexts the impact of these phenomena upon the early audiences of Acts that is those people who heard or read the narrative in the first decades after its completion is determined The investigation offers some unique and nuanced insights into evangelistic proclamation in Acts persuasion in Acts persuasion in the ancient world each of the persuasive phenomena discussed evangelistic mission in the early Christian church and the growth of the early Christian church *Pilosity, Prejudice, and Passion in The Tale of Old Bearded Achbor* by Yaakov ben El'azar of Toledo Tovi Bibring, 2025-07-10 In *Pilosity Prejudice, and Passion in The Tale of Old Bearded Achbor* by Yaakov ben El'azar of Toledo Tovi Bibring argues that behind the restless

parody and the sour tone of the tale lies a fierce discourse of hate toward the Other incarnated as a black woman as well as an insistent alarm regarding the threat of assimilation Following an enticing fully annotated translation of an overwhelming medieval Hebrew composition featuring a pathetic sermon a hedonist feast a love liaison violent shaming and murder Bibring artfully explores their significances through a variety of chapters From highlighting how hair symbolism and color symbolism construe dangerous prejudices to suggesting that Achbor is a symbolic incarnation of a new Balaam the author through close readings of selected excerpts draws connections to the broader medieval and classical context By highlighting possible literary correspondences she sheds insightful light on this mysterious tale This book stands as a testament to the richness of medieval European Hebrew culture making it a must read for scholars and enthusiasts alike **The Goddess Companion**

Bosworth,2024-05-21 When Paul heard that a Christ follower in Corinth was in an incestuous relationship with his stepmother the apostle insisted the man be removed immediately from the congregation This dramatic response is surprising as Paul responds to other serious situations with much less vehemence Why did Paul react to the immoral man with such urgency and severity Using socio cultural tools this study explains the importance of group identity

and witness for Paul's ecclesiology. The argument lays a foundation for contemporary readers to appraise contexts where an expulsive response to sin might be appropriate. *Understanding Paul's Ethics* Brian S. Rosner, 1995. This introduction to the study of Paul's ethics collects fourteen essays by notable scholars which with commentary to the editor illumine the origin context social dimension shape logic foundations and relevance of Paul's ethics. Receptions of Antiquity, Constructions of Gender in European Art, 1300-1600 , 2015-06-24. *Receptions of Antiquity: Constructions of Gender in European Art 1300-1600* presents scholarship in classical reception at its nexus with art history and gender studies. It considers the ways that artists patrons collectors and viewers in late medieval and early modern Europe used ancient Greek and Roman art texts myths and history to interact with and shape notions of gender. The essays examine Giotto's Arena Chapel frescoes Michelangelo's Medici Chapel personifications Giulio Romano's decoration of the Palazzo del Te and other famous and lesser known sculptures paintings engravings book illustrations and domestic objects as well as displays of ancient art.
