An Agent Of Influence:

Agents of Influence Mark Hollingsworth, 2023-04-13 There is no such thing as a former KGB man. A gripping story filled with remarkable revelations, Tom Bower, author of *Revenge*, *Agents of Influence* reveals the secret history of an intelligence agency gone out of control, accountable to no one but itself and intent on subverting Western politics on a near inconceivable scale. In 1985, 1,300 KGB officers were stationed in the USA. The FBI only had 350 counterintelligence officers. Since the early days of the Cold War, the KGB seduced parliamentarians and diplomats, infiltrated the highest echelons of the Civil Service and planted fake news in papers across the world. More disturbingly, it never stopped. Putin is a KGB man through and through. Journalist Mark Hollingsworth reveals how disinformation, kompromat and secret surveillance continue to play key roles in Russia's war with Ukraine. It seems frighteningly easy to destabilise Western democracy. *Agents of Influence*

Aaron Edwards, 2021-04-09 Recruited by British Intelligence to infiltrate the IRA and Sinn Féin during the height of the Northern Ireland Troubles, they were agents of influence. With codenames like INFLICTION, STAKEKNIFE 3007 and CAROL, these spies played a pivotal role in the fight against Irish republicanism. Now for the first time, some of these agents have emerged from the shadows to tell their compelling stories. *Agents of Influence* takes you behind the scenes of the secret intelligence war which helped bring the IRA's armed struggle to an end. Historian Aaron Edwards, the critically acclaimed author of *UVF Behind the Mask*, explains how the IRA was penetrated by British agents with explosive new revelations about the hidden agendas of prominent republicans like Martin McGuinness and Freddie Scappaticci and lesser-known ones like Joe Haughey and John Joe Magee. Bringing to light recently declassified TOP SECRET documents and the firsthand testimonies of agents and their handlers, Edwards reveals how British Intelligence gained extraordinary access to the IRA's inner circle and manipulated them into engaging with the peace process. With new insights into the spy masters behind the scenes, their strategies and tactics, and Britain's international intelligence network in Northern Ireland, Europe and beyond, *Agents of Influence* offers a rare and shocking glimpse into the clandestine world of secret agents, British intelligence strategy and the betrayal at the heart of militant Irish republicanism during the vicious decades of the Troubles. *Agents of Influence*

Henry Hemming, 2019-10-08 The astonishing story of the British spies who set out to draw America into World War II. As World War II raged into its second year, Britain sought a powerful ally to join its cause, but the American public was sharply divided on the subject. Canadian-born MI6 officer William Stephenson, with his knowledge and influence in North America, was chosen to change their minds by any means necessary. In this extraordinary tale of foreign influence on American shores, Henry Hemming shows how Stephenson came to New York, hiring Canadian staffers to keep his operations secret and flooded the American market with propaganda supporting Franklin Roosevelt and decrying Nazism. His chief opponent was Charles Lindbergh, an insurgent populist who campaigned under the slogan America First and had no interest in the war. This set up a shadow duel between Lindbergh and Stephenson, each trying to turn public opinion his way with the
