Lisa L. Ossian

An Album Of World War II Home Fronts:

An Album of World War II Home Fronts Don Lawson, 1980-01-01 Discusses the lives attitudes and homes of the Germans French British Soviets Americans and Japanese during World War II **The American World War II Home Front in 29 Objects** Linda Shenton Matchett, Unlike Europe the American mainland escaped physical devastation during World War II as it was not subjected to full scale invasions However that didn't mean the United States wasn't impacted by the war The ramifications of large economic cultural and societal changes forced Americans to reconsider entrenched beliefs and traditions Artifacts collected from across the nation tell the stories of the American people whose lives were shaped by this second war to end all wars World War II **The Home Fronts of Iowa, 1939-1945** Lisa L. Ossian, 2009-10-16 As Americans geared up for World War II each state responded according to its economy and circumstances as well as the disposition of its citizens This book considers the war years in Iowa by looking at activity on different home fronts and analyzing the resilience of Iowans in answering the call to support the war effort With its location in the center of the country far from potentially threatened coasts Iowa was also the center of American isolationism historically Republican and resistant to involvement in another European war Yet Iowans were quick to step up and Lisa Ossian draws on historical archives as well as on artifacts of popular culture to record the rhetoric and emotion of their support Ossian shows how Iowans quickly moved from skepticism to overwhelming enthusiasm for the war and answered the call on four fronts farms factories communities and kitchens Iowa's farmers faced labor and machinery shortages yet produced record amounts of crops and animals even at the expense of valuable topsoil Ordnance plants turned out bombs and machine gun bullets Meanwhile communities supported war bond and scrap drives while housewives coped with rationing raised Victory gardens and turned to home canning *The Home Fronts of Iowa 1939-1945* depicts real people and their concerns showing the price paid in physical and mental exhaustion and notes the heavy toll exacted on Iowa's sons who fell in battle Ossian also considers the relevance of such issues as race class and gender particularly the role of women on the home front and the recruitment of both women and blacks for factory work taking into account a prevalent suspicion of ethnic groups by the state's largely homogeneous population The fact that Iowans could become loyal citizen soldiers forming an Industrial and Defense Commission even before Pearl Harbor speaks not only to the patriotism of these sturdy midwesterners but also to the overall resilience of Americans In unraveling how Iowans could so overwhelmingly support the war Ossian digs deep into history to show us the power of emotion and to help us better understand why World War II is consistently remembered as the Good War **Home Front Baltimore** Gilbert Sandler, 2011-09-15 Rarely seen photographs from the Baltimore Sun the News American and the Afro American bring to life the rich personal anecdotes of wartime Baltimoreans and transport readers back to an indelible era of Baltimore history [The Home Front in World War Two](#) Neil R. Storey, Fiona Kay, 2017-11-15 The Second World War was fought not only in the skies above Kent but also in the streets and front rooms of the nation Air Raid

Wardens Land Girls and members of the WI formed just a part of the Home Front that would help bring Britain victory

Annie's Doll: World War II on the Home Front Mary Ann Eiler, 2023-06-16 Six year old Annie is living a nightmare no one should have to endure alone World War II is raging in Europe and in the Pacific and though Annie is far from the front lines she feels the horror of war on the home front beloved neighbors are killed in action her family hears of relatives suffering in Europe and she sees war's violence and destruction in weekly newsreels Strict rationing and blackouts challenge her own daily life Added to this when Annie contracts rheumatic fever she has her own war to win if she is to survive But she has a constant companion the chubby baby doll a 1942 Christmas gift who helps her fight to get well and survive the heartaches of war Everyone loves her doll even her school mate Emile a war guest from France and her aviator pen pal in the Royal Air Force Inspired by her own recollections of World War II and the personal accounts of war veterans Eiler has written a sobering reminder of the sacrifices of war as a tribute to The Greatest Generation intended for children studying the war and adults alike The doll opens a gateway to discussing difficult topics with children like hope and perseverance in the face of illness and crisis while the novel's focus on magical play will interest doll and toy enthusiasts In the novel's magical ending Eiler offers a touch of whimsy The war is over The celebrations have ended Not to be outdone Annie's doll makes her a promise the reader will hold dear who said dolls can't talk

World War II in Literature for Youth Patricia Hachten Wee, Robert James Wee, 2004-11-10 This comprehensive volume provides a wealth of information with annotated listings of more than 3 500 titles a broad sampling of books on the war years 1939-1945 Includes both fiction and nonfiction works about all aspects of the war Professional resources for educators aligned to the educational standards for social studies technical references periodicals and electronic resources a directory of WWII museums memorials and other institutions and topics for exploration complement this excellent library and classroom resource

The Home Front: 1939-1945 in 100 Objects Austin J. Ruddy, 2021-04-01 A colorful catalogue of objects that illustrate what everyday life was like in wartime Britain A lifesaving gas mask A ration book essential for the supply of food A shelter stove that kept a family warm while they huddled in their Anderson shelter A leaflet dropped by the Luftwaffe that was designed to intimidate Britain's populace during the threat of invasion A civilian identity card over stamped with the swastika eagle from the occupied Channel Islands A rare previously unpublished snapshot of legendary bandleader Glenn Miller playing at a UK air base A twisted remnant of German V2 rocket that went to space and back before exploding over London the result of equally twisted military science Colorful flag bunting that saw the VE celebrations in 1945 These disparate objects and many more together tell the moving and important story of Britain's home front during the Second World War The ordinary objects featured in this book supplemented with facts figures dates stories and statistics portray the highs and lows the British people experienced during six years of war from the deprivations of rationing and the bombing of the Blitz to the cheery songs elegant fashions and Dig For Victory spirit

On Middle Ground Eric L. Goldstein, Deborah R. Weiner, 2018-03-28 A model

of Jewish community history that will enlighten anyone interested in Baltimore and its past Winner of the Southern Jewish Historical Society Book Prize by the Southern Jewish Historical Society Finalist of the American Jewish Studies Book Award by the Jewish Book Council National Jewish Book Awards In 1938 Gustav Brunn and his family fled Nazi Germany and settled in Baltimore Brunn found a job at McCormick s Spice Company but was fired after three days when according to family legend the manager discovered he was Jewish He started his own successful business using a spice mill he brought over from Germany and developed a blend especially for the seafood purveyors across the street Before long his Old Bay spice blend would grace kitchen cabinets in virtually every home in Maryland The Brunns sold the business in 1986 Four years later Old Bay was again sold to McCormick In On Middle Ground the first truly comprehensive history of Baltimore s Jewish community Eric L Goldstein and Deborah R Weiner describe not only the formal institutions of Jewish life but also the everyday experiences of families like the Brunns and of a diverse Jewish population that included immigrants and natives factory workers and department store owners traditionalists and reformers The story of Baltimore Jews full of absorbing characters and marked by dramas of immigration acculturation and assimilation is the story of American Jews in microcosm But its contours also reflect the city s unique culture Goldstein and Weiner argue that Baltimore s distinctive setting as both a border city and an immigrant port offered opportunities for advancement that made it a magnet for successive waves of Jewish settlers The authors detail how the city began to attract enterprising merchants during the American Revolution when it thrived as one of the few ports remaining free of British blockade They trace Baltimore s meteoric rise as a commercial center which drew Jewish newcomers who helped the upstart town surpass Philadelphia as the second largest American city They explore the important role of Jewish entrepreneurs as Baltimore became a commercial gateway to the South and later developed a thriving industrial scene Readers learn how in the twentieth century the growth of suburbia and the redevelopment of downtown offered scope to civic leaders business owners and real estate developers From symphony benefactor Joseph Meyerhoff to Governor Marvin Mandel and trailblazing state senator Rosalie Abrams Jews joined the ranks of Baltimore s most influential cultural philanthropic and political leaders while working on the grassroots level to reshape a metro area confronted with the challenges of modern urban life Accessibly written and enriched by more than 130 illustrations On Middle Ground reveals that local Jewish life was profoundly shaped by Baltimore s middleness its hybrid identity as a meeting point between North and South a major industrial center with a legacy of slavery and a large city with a small town feel

The Darkest Year William K. Klingaman, 2019-02-19 The acclaimed narrative history of the American home front during WWII from the attack on Pearl Harbor through 1942 For Americans on the home front the twelve months following the Japanese attack on Pearl Harbor comprised the darkest year of World War Two Despite government attempts to disguise the magnitude of American losses it was clear that the nation had suffered a nearly unbroken string of military setbacks in the Pacific by the autumn of 1942 government officials were openly acknowledging the possibility that the United

States might lose the war Appeals for unity and declarations of support for the war effort made it appear as though the class hostilities and partisan animosities that had beset the United States for decades had suddenly disappeared Yet a deeply divided American society was splintering even further as conflicting interest groups sought to turn the wartime emergency to their own advantage Meanwhile blunders and repeated displays of incompetence by the Roosevelt administration added to the sense of anxiety and uncertainty that hung over the nation The Darkest Year focuses on Americans state of mind not only through what they said but in the day to day details of their behavior William K Klingaman delves into the social and cultural changes wrought by war including shifts in family roles race relations economic pursuits popular entertainment education and the arts

Recognizing the showing off ways to get this book **An Album Of World War Ii Home Fronts** is additionally useful. You have remained in right site to start getting this info. acquire the An Album Of World War Ii Home Fronts associate that we have the funds for here and check out the link.
