An Encyclopedia Of Quotations About Music:

An Encyclopedia of Quotations about Music Nat Shapiro, 1978 **An Encyclopedia of Quotations About Music** Nat Shapiro, 2012-10-20 Writing about music about what it is and what it means is akin to describing the act of love Somehow the reduction of the experience to an unblushingly detailed exposition of how where when and why who does what to whom from prelude to resolution loses everything in the translation The other extreme the one wherein the writer in desperation resorts to metaphor with or without benefit of meter and rhyme most often results in imagery that is banal vulgar inane obscure pretentious and almost always insufferably romantic To achieve good and accurate writing about music is as rare an accomplishment as expert wine tasting lion taming diamond cutting truffle finding and if one just happens to be an unconverted Mohican brave deer tracking Only the intuitive the pure the sensual and the intrepid need apply Professional musicians often evidence a fixed tendency either to rudely ignore or else to actively despise those of us who bravely try to understand define and describe their art To many composers and instrumentalists those outsiders nonmusicians who have the temerity to discuss anything more abstract than the digital dexterity of a fiddler the particular vanity of a conductor or the wage scales for overtime recording sessions are judged worthy only of contempt or at the most patronizing tolerance Music means itself insists one of the contributors to the collection that follows and many practitioners of the art of organized sound would prefer to leave it at that *An Encyclopedia of Quotations About Music* Nat Shapiro, 2012-12-06 Writing about music about what it is and what it means is akin to describing the act of love Somehow the reduction of the experience to an unblushingly detailed exposition of how where when and why who does what to whom from prelude to resolution loses everything in the translation The other extreme the one wherein the writer in desperation resorts to metaphor with or without benefit of meter and rhyme most often results in imagery that is banal vulgar inane obscure pretentious and almost always insufferably romantic To achieve good and accurate writing about music is as rare an accomplishment as expert wine tasting lion taming diamond cutting truffle finding and if one just happens to be an unconverted Mohican brave deer tracking Only the intuitive the pure the sensual and the intrepid need apply Professional musicians often evidence a fixed tendency either to rudely ignore or else to actively despise those of us who bravely try to understand define and describe their art To many composers and instrumentalists those outsiders nonmusicians who have the temerity to discuss anything more abstract than the digital dexterity of a fiddler the particular vanity of a conductor or the wage scales for overtime recording sessions are judged worthy only of contempt or at the most patronizing tolerance Music means itself insists one of the contributors to the collection that follows and many practitioners of the art of organized sound would prefer to leave it at that Basic Music Reference Alan Green, Michael J. Duffy, IV, 2012-11-01 Basic Music Reference is a quick start guide designed to introduce library employees to the basic tools and techniques involved in answering questions related to music As in every specialist subject area music has its own terminology but unlike most it also has a multitude of formats on paper

and other materials as well as special notation and frequent use of foreign languages in titles and texts. These features make it particularly difficult for library employees to answer users' questions and thus a guide such as this one is essential. Not all libraries with a music collection can afford to hire a music reference librarian. Even libraries with such a specialist rely on support staff and student employees to answer questions when the music librarian is not available. Whatever the scenario, this volume will serve as a helpful training tool for library employees to learn about the basic music reference tools and to develop the techniques of greatest use when answering the most common types of music-related questions.

Sourcebook for Research in Music, Third Edition Allen Scott, 2015-06-01. Since it was first published in 1993, the *Sourcebook for Research in Music* has become an invaluable resource in musical scholarship. The balance between depth of content and brevity of format makes it ideal for use as a textbook for students, a reference work for faculty and professional musicians, and as an aid for librarians. The introductory chapter includes a comprehensive list of bibliographical terms with definitions, bibliographic terms in German, French, and Italian, and the plan of the Library of Congress and the Dewey Decimal music classification systems. Integrating helpful commentary to instruct the reader on the scope and usefulness of specific items, this updated and expanded edition accounts for the rapid growth in new editions of standard works in fields such as ethnomusicology, performance practice, women in music, popular music, education, business, and music technology. These enhancements to its already extensive bibliographies ensure that the *Sourcebook* will continue to be an indispensable reference for years to come.

Sourcebook for Research in Music Phillip Crabtree, Donald H. Foster, 1993. This bibliography of bibliographies lists and describes sources from basic references to highly specialized materials. Valuable as a classroom text and as a research tool for scholars, librarians, performers, and teachers.

Oxford Treasury of Sayings and Quotations Susan Ratcliffe, 2011-10-13. Contains quotations, proverbs, and phrases from throughout history and around the world, grouped by topic in over four hundred alphabetically arranged categories from Ability to Youth. Includes a list of themes and a keyword index.

Music Library and Research Skills Jane Gottlieb, 2017. Concise and engaging, this text covers a wide range of reference sources for research in all genres of music. Through this practical introduction to the key concepts of music research, students will develop a firm understanding of the tools used to gather data, including what types of sources exist, how they are arranged, and how they may best be used to do research.

The New Yale Book of Quotations Fred R. Shapiro, 2021-08-31. A revised, enlarged, and updated edition of this authoritative and entertaining reference book, named the 2nd essential home library reference book by the Wall Street Journal. Shapiro does original research, earning this volume a place on the quotation shelf next to Bartlett's and Oxford's. William Safire, *New York Times Magazine*, on the original edition: "The most accurate, thorough, and up-to-date quotation book ever compiled." Bryan A. Garner, *Los Angeles Review of Books*. Updated to include more than a thousand new quotations, this reader-friendly volume contains over twelve thousand famous quotations arranged alphabetically by author and sourced from literature, history, popular culture, sports, digital culture,

science politics law the social sciences and all other aspects of human activity Contemporaries added to this edition include Beyonc Sandra Cisneros James Comey Drake Louise Gl ck LeBron James Brett Kavanaugh Lady Gaga Lin Manuel Miranda Barack Obama John Oliver Nancy Pelosi Vladimir Putin Bernie Sanders Donald Trump and David Foster Wallace The volume also reflects path breaking recent research resulting in the updating of quotations from the first edition with more accurate wording or attribution It has also incorporated noncontemporary quotations that have become relevant to the present day In addition The New Yale Book of Quotations reveals the striking fact that women originated many familiar quotations yet their roles have been forgotten and their verbal inventions have often been credited to prominent men instead This book s quotations annotations extensive cross references and large keyword index will satisfy both the reader who seeks specific information and the curious browser who appreciates an amble through entertaining pages *Oxford Dictionary of Humorous Quotations* Ned Sherrin, 2008-09-25 This hilarious collection of humorous quotations full of wisecracks and wit snappy comments and inspired fantasy has been specially compiled by the late broadcaster and raconteur Ned Sherrin with a foreword by leading British satirist Alistair Beaton Now packed with even more quotes and covering more subjects than before from Weddings to the Supernatural Australia to Headlines Find the best lines from your favourite jokesters and wordsmiths add that extra something to a speech or presentation or just enjoy a good laugh A chair is a piece of furniture I am not a chair because no one has ever sat on me Ann Widdecombe on the announcement that Parliamentary language will now be gender neutral No wonder Bob Geldof is such an expert on famine He s been feeding off I don t like Mondays for 30 years Russell Brand On deciding to run for governor of California The most difficult decision I ve ever made in my entire life except for the one in 1978 when I decided to get a bikini wax Arnold Schwarzenegger Wanting to know an author because you like his work is like wanting to know a duck because you like p acirc t eacute Margaret Atwood I am so sorry We have to stop there I have just come to the end of my personality Quentin Crisp closing down an interview
