Amos The Prophet The Man And His Background:

Amos, the Prophet Hans Walter Wolff, 1973 *A History of Prophecy in Israel* Joseph Blenkinsopp, 1996-01-01 This revised and enlarged edition of Joseph Blenkinsopp's 1983 book will be a welcome addition to the libraries of serious Biblical scholars The author critically recounts the history of Israelite prophecy from a social historical perspective *Amos--the Prophet and His Oracles* M. Daniel Carroll R., 2002-01-01 The book of Amos holds a unique and central place among the canonical prophetic literature and presents a special array of issues for scholarly discussion This book provides a thorough and balanced overview of the history of scholarship on the book of Amos two essays that trace the history of scholarship and offer promising lines for further inquiry a substantial anthology of readings of the multiple ways Amos has been analyzed and appropriated an extensive and current bibliography and notes on doctoral dissertations conducted in recent years The result is a comprehensive compendium of resources for scholarly writing on the book of Amos *Wisdom in Ancient Israel* John Day, Robert P. Gordon, Hugh Godfrey Maturin Williamson, 1998 In this collection an international group of specialists considers the nature of wisdom in relation to the thought world of the ancient Near East and its impact on the rest of the Old Testament In addition to full coverage of the wisdom books and other literature most frequently thought to have been influenced by them thematic studies also introduce the principal comparative sources among Israel's neighbours and discuss the place of wisdom in Israelite religion theology and society **Old Testament Wisdom** James L. Crenshaw, 2010-01-01 For decades James Crenshaw's *Old Testament Wisdom* has been the premier introduction to the wisdom books of the Old Testament That tradition continues with this newly updated edition This popular textbook introduces readers to the wisdom tradition as well as the biblical books of Proverbs Job Ecclesiastes Sirach and the Wisdom of Solomon In addition Crenshaw has expanded the discussion to include sapiential works from the Dead Sea Scrolls the impact of wisdom traditions on the New Testament writers and a new chapter on knowledge about God and the ancient sages understanding of revelation He provides expert analysis of the legacy of wisdom in other parts of the canon and in other cultures offering new insights and fresh perspectives that can only come from one so well versed on the significance of Old Testament wisdom **BACK COVER**

Old Testament Survey William Sanford LaSor, David Allan Hubbard, Frederic William Bush, 1996-09-03 McKenna and William B Nelson Jr *Ethical Dimensions of the Prophets* Joseph Jensen, 2006 Do the Old Testament prophets have a stake in modern ethics They had a great impact in shaping Israel's ethics and they should also have an impact on ours writes biblical scholar Joseph Jensen In *Ethical Dimensions of the Prophets* Jensen shows us how the prophets never soft peddled God's message Jeremiah lashed out against a tyrannical king Hosea accused Israel of harlotry for worshiping false gods And Amos railed about the God's wrath because Israel failed to behave compassionately toward the weak and the poor Jensen wants readers to hear the prophets in their own terms as they addressed their biblical contemporaries Yet he asserts that the teachings of the prophets contain valuable lessons for us to ponder and apply today particularly when it comes to social

justice This book is designed for readers eager to move beyond an introductory understanding of the Bible *The Prophets as Preachers* Gary V. Smith, 1998-09-01 Designed for use in upper level college courses and seminary courses on the prophets

Sage, Priest, Prophet Joseph Blenkinsopp, 1995-01-01 Publisher description Blenkinsopp investigates three forms of biblical Israel's religious leadership and examines the development and character of these roles and how they functioned in their particular time and place Based on sociological insights regarding role theory and audience expectations the book demonstrates how Israel's prophets priests and sages represented their own traditions while responding to the political and professional pressures of their unique situations **Interpreting the Prophetic Word** Willem A. VanGemen, Willem VanGemen, 1996 The diversity of prophetic voices in the Bible provides a message that is rich and variegated But the variety of the testimony can be lost by limiting one's interpretations or application of the prophetic word Interpreting the Prophetic Word helps readers understand the harmony of the voices that reveal God's purposes in redemptive history Dr Willem VanGemen explains clearly and fully the background of the prophetic tradition He then interprets the message of the major and minor prophets using historical context and literary form and structure as tools in his analysis He concludes with an explanation of the relevance of the prophetic word today Dr VanGemen's extensive research and scholarship is presented in a readable way to unlock the door of prophecy for readers He helps them to interpret prophecy and invites them to listen to the prophets and to live the prophetic word
