An Anthology Of Presbyterian And Reformed Literature V 5:

Meet the Puritans Joel R. Beeke, Fraser E. Jones, Randall J. Pederson, 2025-10-21 Whether you're meeting them for the first time or returning with questions this is the indispensable guide to the lives and works of the Puritans. If your impression of the Puritans comes from grim portraits, high collars, and joyless sermons, *Meet the Puritans* will surprise you in the best way. Behind those caricatures lies a warm, Christ-centered spiritual tradition shaped by people who loved Scripture, treasured grace, and sought to glorify God in every part of life. The Puritans took life seriously because they took God seriously. Grace and guilt, love and sacrifice, heaven and hell weren't abstractions to them; they were urgent realities. Today, when conviction of sin is dismissed as gloom, when earnest faith is pitied, and when diligent obedience is labeled as legalism, we desperately need their witness. If you hunger for depth, for holiness, for real communion with God, open these pages. Let these lives challenge you, and these writings nourish you. Take the time to meet the Puritans; you'll find in them deep truths, godly examples, and an exalted Christ. This New Edition includes 45 new biographies for a total of 190 English and American Puritans, seventeenth-century Scottish Presbyterians, and Dutch Further Reformation divines; 278 new summaries of Puritan works with annotated bibliographies of modern reprints; a comprehensive revision of the entire previous edition; 200 new titles added to the select bibliography of secondary sources; a new expanded glossary plus an updated expanded list of Puritan publishers. The definitive reference for engaging the Puritan tradition, praised by pastors, scholars, and serious readers alike, *Meet the Puritans* is that rare kind of reference book that invites you to actually read it. If you're serious about reading the Puritans or simply looking for a clear starting point, this is the place to begin.

The Banner of Sovereign Grace Truth, 1998 **Unification Faith Parenting: 13 Best Practices** Michael H. Kiely, Jennifer P. Tanabe, 2019-12-07 Six Unification families share their experiences and strategies raising second-generation children who have ultimately made their family's faith their own as young adults. Their testimonies about what did not work as well as what worked are fascinating, funny, heartbreaking, and very enlightening. Of course, the best part is that they adjusted what they did to something that can be called a Best Practice. Through their words, this book covers what not to do as well as what to do in faith parenting your kids. Bulletin, 1895 **Annual Report** Lancaster (Mass.).
