An Exposition Of The Gospel Of John:

An Exposition of the Gospel of John Michael L. Gowens, 2018-11 Unlike the other three Gospels John is primarily theology not synoptic John's purpose is to prove that Jesus is the Son of God coeternal coessential and coequal with the Father The preponderance of evidence John cites for the deity of Jesus Christ is so conclusive that those who stridently oppose the facts like the religious leaders of Jesus day reveal a level of moral antagonism that merits condemnation Only grace can conquer such animosity of heart and enable the mind to consider the gospel message That is the message of the Gospel of John *An Exposition of the Gospel of John* William Kelly, 1908 *An Exposition of the Gospel ... According to John. [With the Text.] By George Hutcheson ... Reprinted from the Edition of 1657, 1657* [Exposition of the Gospel of John](#) Arthur W. Pink, 2011-08-01 It is our purpose to give a verse by verse exposition of the fourth Gospel in the course of this series of studies but before turning to the opening verses of chapter I it will be necessary to consider John's Gospel as a whole with the endeavor of discovering its scope its central theme and its relation to the other three Gospels We shall not waste the reader's time by entering into a discussion as to who wrote this fourth Gospel as to where John was when he wrote it nor as to the probable date when it was written These may be points of academic interest but they provide no food for the soul nor do they afford any help to an understanding of this section of the Bible and these are the two chief things we desire to accomplish Our aim is to open up the Scriptures in such a way that the reader will be able to enter into the meaning of what God has recorded for our learning in this part of His Holy Word and to edify those who are members of the Household of Faith Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan like teachings Though born to Christian parents prior to conversion he migrated into a Theosophical society an occult gnostic group popular in England during that time and quickly rose in prominence within their ranks His conversion came from his father's patient admonitions from Scripture It was the verse Proverbs 14 12 there is a way which seemeth right unto a man but the end thereof are the ways of death which particularly struck his heart and compelled him to renounce Theosophy and follow Jesus **An exposition of the Gospel of st.
