An Honorable Defeat Arc

Anton Gill

An Honorable Defeat Arc:

An Honourable Defeat Anton Gill,1994 The numbers are small Scattered across the landscape that was Nazi Germany the Resistance looks puny too little too late And yet in the context of a police state it assumes larger proportions For those who have never known life under such a regime it is hard to grasp the daily terror that makes an act of political graffiti a capital offense that labels resistance treason Now drawing on archival materials and on interviews with those few resisters and their families who survived Anton Gill brings their story to light Here are union leaders and businessmen priests and Communists students and factory workers above all here are the only people who had any plausible chance at more than symbolic resistance those in the Army the Foreign Office the Abwehr For these obeying the dictates of conscience meant betraying the demands of government and every day brought the risk of denunciation and death Not many survived Seen in terms of numbers this is a story of defeat But in the larger moral universe it must be acknowledged as an honourable defeat against awful odds and in appalling circumstances these men and women kept the faith a tribute to the power of human conscience

The Arch Conspirator Len Bracken,1999 Veteran conspiracy author Len Bracken s collection of witty essays and articles takes readers down the dark corridors of conspiracy politics murder and mayhem A fascinating maze of interwoven tales it includes juicy morsels for conspiracy theorists including the Russian conspiracy and an interview with Costa Rican novelist Joaquin Gutierrez A pop conspiracy classic it even includes a psychogeographic map of the third millennium Proceedings of the Grand Holy Royal Arch Chapter of Pennsylvania and Masonic Jurisdiction Thereunto Belonging, for the Year Ending ...

Freemasons. PENNSYLVANIA. GRAND HOLY ROYAL ARCH CHAPTER,Royal Arch Masons. Grand Chapter of Pennsylvania,1922 **The Legacy of Heroes** Vincent Venturella,2011-09-21 The Legacy of Heroes is a Fantasy Role Playing Game with a singular focus imagination The Legacy of Heroes Player s Guide offers everything you need to bring the myriad characters from movies literature mythology and anything else you can imagine to life on the page before you This book contains 11 races 11 classes 40 heroic arcs and all the spells styles equipment magic items and more you need for your own brave heroes to move from character to legend The Legacy of Heroes exciting Heroic Talent and Heroic Moment systems empower the players to create truly memorable role playing experiences like never before This book facilitates that collaboration by giving you the player the tools you need for the stories you imagine in an efficient simple and familiar system based on the OGL license The only question is are you ready for your own legacy Visit [www thelegacyofheroes com](http://www.thelegacyofheroes.com) for support downloads and more **Painting the Prehistoric Body in Late Nineteenth-Century France** Shalon

Parker,2018-11-19 In late nineteenth century France when Charles Darwin s theories of evolution had finally begun to permeate French culture and society several academic artists turned to a relatively new sub genre of history painting the prehistoric themed subject This artistic interest in Darwin s theories was manifested as paintings and sculptures of prehistoric humanity engaged in physical conflict with each other or other animals struggling for food or hunting all

nineteenth century popular understandings of survival of the fittest This book examines how this sub genre captured the imagination of French Salon painters from the 1880s to early 1900s in particular that of Fernand Cormon 1845 1924 one of the foremost academic painters during the final quarter of the nineteenth century A central argument of this book concerns the unique interpretation of prehistoric humanity that Cormon visualized in his paintings While the vast majority of prehistoric themed images made by his salon colleagues focused on violence combat and sexual conquest Cormon s paintings depict a conflict free humanity in which collaboration and cooperation dominate rather than physical struggle This study probes the French intellectual understanding and appropriation of Darwin s theories and considers how the French mis translation of *The Origin of Species* by Cl mence Auguste Royer the first French translator of the text along with Neo Lamarckism and republican ideology in Third Republic France may have collectively shaped Cormon s representation of early humanity The art press overwhelmingly favored Cormon s visualization of the prehistoric world over that of his Salon peers Through extended analysis of the art criticism concerning Cormon s work Sharon Parker argues that critics very clear preference for Cormon s paintings was rooted in their awareness that he utilized the sub genre of the prehistoric as a forum in which to reimagine and revive academic figurative painting at a time when the critical reception of Salon art had reached its nadir Additionally this study provides a broad overview of the visual models in particular the anthropological and ethnographic texts and imagery most readily available to Cormon as sources for shaping his vision of the prehistoric world
