

HAWAII: A PAGEANT OF THE SOIL

JEAN F. HOBBS

\$2.50

The story of Hawaii, the crossroads of the Pacific, told from the point of view of land, for the soil, with the problems arising from it, has been extraordinarily basic in Hawaiian history. "The book fills a definite need for all who are seriously concerned with the economic or social development of the islands."—*Pacific Historical Review*

Mark Twain's LETTERS FROM THE SANDWICH ISLANDS

MARK TWAIN *Edited by* GEORGE EZRA DANFORTH

\$3.00

Original Mark Twain material—twenty-two letters of travel, description, anecdote, and human interest, written for the *Sacramento Union* describing his trip to the Hawaiian Islands. Picturesque, graphically descriptive, and abundantly humorous, these letters are written in his usual sparkling style, which has a zest unsurpassed in American literature.

Mark Twain shows a novel and penetrating study of native character and, incidentally, prophesies with keen foresight the value of the Islands to the United States as a naval outpost in the Pacific.

UNCLE SAM'S PACIFIC ISLETS

DAVID N. LEEF

Paper, \$1.00

A very readable, brief but authoritative story of a chapter in American overseas expansion. Twelve little islets, Midway, Kure, Wake, Johnston, Kingman, Palmyra, Swain's, Baker, Howland, Jarvis, Canton, and Enderbury, and how we got them.

Kingship and Sacrifice Valerio Valeri, 1985-06-15 Valeri presents an overview of Hawaiian religious culture in which hierarchies of social beings and their actions are mirrored by the cosmological hierarchy of the gods As the sacrifice is performed the worshipper is incorporated into the god of his class Thus he draws on divine power to sustain the social order of which his action is a part and in which his own place is determined by the degree of his resemblance to his god The key to Hawaiian society and a central focus for Valeri is the complex and encompassing sacrificial ritual that is the responsibility of the king for it displays in concrete actions all the concepts of pre Western Hawaiian society By interpreting and understanding this ritual cycle Valeri contends we can interpret all of Hawaiian religious culture **Historical Dictionary**

The Island Churches of the South Pacific Charles W. Forman, 2022-10-14 Out of deep and wider personal experience of the Pacific Island churches as well as a mastery of the documentary sources Charles Forman has produced a very valuable and interesting book The Pacific Basin assumes an increasingly central place in world history The scattered Christian communities of that ocean are entering vigorously into worldwide ecumenical relationships It is increasingly important to understand these churches and their potential contribution Much of the popular mythology not to say demonology of missionary Christianity is linked with these Pacific Islands This book puts the whole story in perspective as it brings us up to date and suggests the issues of today and tomorrow David M Stowe Executive Vice President United Church Board of World Ministries This book covers the whole are of the Pacific Churches both Protestant and Roman Catholic and the English and French It states the historical facts and has a prophetic outlook to the changing Pacific Christianity of tomorrow S Amanaki Havea Principal The Pacific Theological College Suva Fiji Islands The nineteenth century story of Christianity in the Pacific is well known especially through the biographies of its heroes Charles Forman has written the twentieth century story with careful attention to the sources and with great clarity We see the steps from mission to church and from village congregation to ecumenical involvement Particularly helpful are the thematic treatments of cargo cults modern sects the effects of World War II independence and nation building Can these traditionally minded Christian communities respond effectively to modern secularism and the mixture of cultures The author shows that they can and so enables the small Pacific Island Churches to contribute further to the world church The bibliography is an excellent tool and the footnotes repeatedly reveal how well the author knows the churches and the people who have led them Bernard Thorogood General Secretary and Clerk of the Assembly The United Reformed Church London
