American Daughter:

China's American Daughter Marjorie King, 2006 Ida Pruitt born of American missionaries and raised in a rural Chinese village at the end of the nineteenth century witnessed almost a century of China's revolutionary upheavals. She was the first Director of Social Service at the Peking Union Medical College where she established social casework in China. She later served as the executive secretary of the American Committee in Support of the Chinese Industrial Cooperatives, the only U.S. aid agency to provide support to both Nationalist and Communist regions during the Chinese Civil War. She was also one of the early advocates for U.S. diplomatic recognition of the People's Republic of China. Her two notable books, *A Daughter of Han: the Autobiography of a Chinese Working Woman* (Ning Lao Taitai) and *Old Madam Yin: A Memoir of Peking 1926-1938* have become classics in Chinese Studies and Women's Studies. Publisher's description: *A BOUQUET OF MEMORIES FOR AN AMERICAN DAUGHTER* Gisela Norat, 2023-05-30. In this memoir, childhood recollections become the springboard for depicting the challenges of a Latina immigrant and a bicultural mother in the United States. The vignettes of life under communist rule in her native Cuba help readers glean a harsh contrast with the civil liberties Americans enjoy. Infused with humor and candid introspection, the writing tackles the pitfalls, contradictions, and the cultural scimmages that emerge after marriage to an Anglo man and during the upbringing of their bicultural daughter. When her enthusiasm for Spanish language immersion at home meets with the child's resistance, the author is forced to question the visceral attachment she feels for her birth language. Stumbling through motherhood, she ponders how to live an authentic sense of self while mothering in English. She resolves not to push the daughter to speak Spanish and risk damaging their mother-daughter bond. Instead, the author begins to write and crafts this family legacy as an invitation for her daughter to embrace her Cuban-Spanish lineage. This Latina mother's journey of self-reflection dredges memories of her birthplace, family exile, cultural adaptation, and social integration. Through the narrative lens of a child, refugee, daughter, wife, mother, professor, and an acculturated Cuban American, the author depicts the culture-clashing complexities of her biculturalism. It is while examining the precariousness of family relationships that the author arrives at a deeper understanding of the nuances of ethnic identity. Through this writing, she achieves a genuine embrace of the extraordinary adoptive country that irrevocably ties her to her beloved American daughter. May you, reader, be inspired to collect and stitch for posterity your tapestry of family stories.

Father-Daughter Relationships Linda Nielsen, 2012. How fathers affect their daughters' social, academic, intellectual, athletic, and psychological development is then considered. Factors that can weaken father-daughter relationships, such as divorce, are included. Various theoretical perspectives are explored in chapters 5 and 6. Father-daughter relationships of racial or ethnic minorities and an array of potentially destructive situations that affect these relationships are the focus of chapters 7 and 8. The impact of fathers who are incarcerated, abusive, alcoholics, gay, or sperm donors are considered. The book concludes with suggestions on where we go from here.
