

Americanism, American Idealism

Americanism is the name of American Nationalism. If one asks what the Americanism is, who the American is, It can be explained as "those who feel themselves Americans, can sacrifice themselves for the United States, Americanism and American unity, do beneficial things for the America, Americanism and America Unity and endeavour for this purpose, who can shout with his whole existence "how happy am I to say I am an American" wherever they live, be it in America or Antarctica".
