Breaking Open the Word of God Karan Hinman Powell, Joseph P. Sinwell, 1988 Volume three in a three part series that functions as a pastoral tool for sharing the word of God focuses on Cycle C and emphasizes using the lectionary in catechesis throughout the year

Breaking Open Jacob Armstrong, 2022-07-19 In a broken world we ache for a way to walk through life without giving up or giving in Instead of breaking down Jesus offers us another way breaking open Discover a new way of living and rise with hope power and purpose Everyone aches to be whole We ache to be healed We ache to be restored But most of the time we wouldn't put it into words We just know we are broken because our child is addicted We ache because the depression of our youth is now the depression of our golden years We are stretched to the point of breaking because our career ambitions position us to commit to a pace we can't sustain Miscarriage divorce loneliness In all of it we ache In *Breaking Open* Pastor Jacob Armstrong exposes the seven dangerous ways that we commonly seek to avoid a breakdown showing how these seven ways are stealing life from us and then walks us through a progression of seven Jesus ways that move us from merely breaking to breaking open It is these Jesus ways that get us to the good stuff a life filled with hope and opportunity In *Breaking Open* you discover how your greatest heartaches can open you up to the life God desires for you learn how to slow down from a frenzied pace and settle into the spacious life you have been longing for right now stop living a cheap imitation of life and develop trust in who God says you are receive permission not to have it all together by finding the power to love and live vulnerably and find the courage to name the achy undercurrent in your soul so you can break it wide open and let Jesus heal you and make you whole Jesus never intended for us to break and stay shattered but to fall and rise differently To rise with power rise with hope rise with purpose In *Breaking Open* learn to rise open to a new way of living

Breaking Open Jules Evans, Tim Read, 2020-04-26 Personal accounts exploring the shift from mental illness to spiritual awakening The first book in which people discuss their own spiritual emergencies and share what helped them through Our authors are the experts of their own experience and they share their wild journeys with courage insight and poetry There are fascinating parallels in their experiences suggesting minds in extremis go to similar places These are beautiful postcards from the edge of human consciousness testaments to the soul's natural resilience Our authors have returned from their descent with valuable insights for our culture as we go through a collective spiritual emergency with old myths and structures breaking down and new possibilities breaking open What is there beyond our present egocentric model of reality What tools can help us navigate the emergence This book is essential reading for anyone who wants to understand the connection between spiritual awakening and what we normally term mental illness It is full of inspirational and moving stories that show that psychological disturbances often lead to significant personal growth if supported properly As a culture we urgently need a new paradigm of mental illness and treatment and this and this book makes an important contribution to that shift Steve Taylor PhD author of *The Leap and Spiritual Science*
