Working with Families of Psychiatric Inpatients Alison M. Heru,Laura M. Drury,2007-04-15 Working with the families of inpatients is one of the most important and most challenging aspects of practicing clinical psychiatry Clinicians are responsible not only for the well being of their patients but also for the education and guidance of the patient s family In this book Alison M Heru and Laura M Drury offer a step by step guide to developing the skills needed to work successfully with patients families Research data outlined in the opening chapters demonstrate just how essential families and evidence based family treatment are to effective patient care Succeeding chapters use clinical case studies to illustrate the skills necessary for the assessment and treatment of the family Psychiatric residents will enhance their knowledge of the family as a part of the patient s social context and learn how to conduct a family meeting common mistakes to avoid and when to refer the family for other assistance The authors also describe specific strategies for intervening with difficult families and for overcoming some of the fears and anxieties common among residents when they interact with patients families The authors provide valuable insights into the perspectives of families and patients and offer practical suggestions for risk management after the patient is discharged from inpatient care Keyed to the requirements articulated by the American College of Graduate Medical Education this handbook is a tool no psychiatric resident can do without

The Zoo on the Road to Nablus Amelia Thomas,2008-01-11 The last Palestinian zoo stands on

a dusty dead end street in the once prosperous farming town of Qalqilya on the very edge of the West Bank The zoo s bars are rusting peacocks wander quiet avenues shaded by broad plane trees a teenage baboon broods in solitary confinement walls bear the pockmarks of gunfire And yet the zoo is an extraordinary place with a bizarre troubling and inspiring story to tell At the center of this story is Dr Sami Khader the only zoo veterinarian in the Palestinian territories Family man amateur inventor and dedicated taxidermist he is fiercely independent apolitical and resourceful in times of crisis Dr Sami dreams of transforming the zoo into one of an international caliber In The Zoo on the Road to Nablus Amelia Thomas brings the reader into a world rarely glimpsed from the outside weaving the stories of the zoo s animals its staff and its visitors into a rich colorful chronicle of the indomitability of the human and animal spirit

Practical Wisdom and Resilience Overcoming Downside Risk Kazuyo Hanai,Rangarirai Gavin Muchetu,Laban Kithinji Kinyua,Yoichi Mine,2025-05-24 This book classifies and assesses the real and perceived risks associated with both the Covid 19 pandemic and government responses to it in seven African countries DR Congo Kenya Ethiopia South Africa Tanzania Uganda and Zimbabwe based on large scale quantitative and qualitative surveys conducted in 2022 2024 It also elucidates the people s resilience in overcoming the risks within their political social and cultural context Although research on COVID 19 has been conducted in various fields particularly in the medical field the analytical perspective of this book is unique COVID 19 prevention policies are considered to have seriously increased other risks such as hunger other infectious diseases interruption of education and various types of human rights violations including increased conflict violence against civilians and political abuse Therefore this book argues that COVID 19 prevention policies as well as the pandemic itself should be regarded as the downside risk that triggers the deterioration of the other potential risks to vulnerable people Depicted here is the account of how trust in government community and family within the existing political social and cultural environment created pandemic politics as elections during the pandemic instrumentalized and politicized government prevention measures Economic distress threatened people s lives more than COVID 19 during lockdowns and severe behavioral restrictions and the spread of misinformation discouraged people from being vaccinated This book will be useful to policy makers and practitioners in international society who are preparing for the next pandemic based on the lessons learned from the COVID 19 pandemic
