## **Bridging Two Eras:**

What It Took to Win Michael Kazin, 2022-03-01 A New York Times Book Review Editors Choice One of Kirkus Reviews ten best US history books of 2022 A leading historian tells the story of the United States most enduring political party and its long imperfect and newly invigorated quest for moral capitalism from Andrew Jackson to Joseph Biden One of Kirkus Reviews 40 most anticipated books of 2022 One of Vulture's 49 books we can't wait to read in 2022 The Democratic Party is the world's oldest mass political organization Since its inception in the early nineteenth century it has played a central role in defining American society whether it was exercising power or contesting it But what has the party stood for through the centuries and how has it managed to succeed in elections and govern In *What It Took to Win* the eminent historian Michael Kazin identifies and assesses the party's long running commitment to creating moral capitalism a system that mixed entrepreneurial freedom with the welfare of workers and consumers And yet the same party that championed the rights of the white working man also vigorously protected or advanced the causes of slavery segregation and Indian removal As the party evolved towards a more inclusive egalitarian vision it won durable victories for Americans of all backgrounds But it also struggled to hold together a majority coalition and advance a persuasive agenda for the use of government Kazin traces the party's fortunes through vivid character sketches of its key thinkers and doers from Martin Van Buren and William Jennings Bryan to the financier August Belmont and reformers such as Eleanor Roosevelt Sidney Hillman and Jesse Jackson He also explores the records of presidents from Andrew Jackson and Woodrow Wilson to Bill Clinton and Barack Obama Throughout Kazin reveals the rich interplay of personality belief strategy and policy that define the life of the party and outlines the core components of a political endeavor that may allow President Biden and his co-partisans to renew the American experiment

A History of Central European Women's Writing C. Hawkesworth, 2001-04-10 A History of Central European Women's Writing offers a unique survey of literature from the Czech Republic Poland Hungary Croatia Slovakia and Slovenia It introduces a little known area of European literature from a unique point of view illustrating the development of women's writing in the region from the middle ages to the present day It offers a broad historical survey placing individual writers in their social and political context and showing how processes shaping their lives are reflected in their works

*An American Poet in Paris* Charles L. Robertson, 2001 An American Poet in Paris is a literary biography of Pauline Avery Crawford a remarkable American expatriate who wrote for the Paris edition of the New York Herald Tribune in the 1930s and 1940s Interspersed in the biography are numerous quotations from Crawford's poetry and letters along with an account of her fascinating life in Paris a life that included the turbulent years before during and after World War II Crawford was reared in the frontier town of Fort Collins Colorado went east to attend college and then became a faculty wife Her early happiness was marred by tragedy when her husband committed suicide leaving her with two small boys and her sister whom she had joined in Paris died of tuberculosis Crawford contracted acute articular rheumatism and had to spend two long painful years in the

American Hospital in Neuilly Despite the loss of a leg this widow with two young children carved out a new life for herself in the pages of the Paris Herald Tribune Therein she recorded the events of those dramatic pre and postwar years in both poetry and prose As a constant contributor to the Mailbag the column of letters to the editor Crawford became a celebrity in the Anglo American community even though she advocated American intervention in the war in a newspaper whose readership was largely isolationist In the postwar years the editor asked her to create a column that he dubbed Our Times in Rhyme In this column which she wrote until shortly before her death in 1952 she provided an amusing sometimes sarcastic and often cheering commentary on world events and life in Paris leavened with some of the more serious sonnets she had always loved to write Well informed and well written An American Poet in Paris throws light on a particular time and place as seen through the eyes of one extraordinary woman in an unusual and pioneering American newspaper Crawford s poetry and wit still sparkle the controversies in which she indulged remain of interest and her detailed description of life in occupied Paris is especially compelling

**I Like Being Catholic** Michael Leach, Therese J. Borchard, 2005-04-19 A celebration of the treasured traditions rituals and stories that run through the bloodstream of American Catholics For Andrew Greeley it is the reverence of Christmas night and the exultation of Easter morn Martin Scorsese like many others remains grateful for the nuns who rapped his knuckles but built his self esteem Mary Gordon recalls the sense of lightness that follows confession Vince Lombardi the strength he derived from Mass and Christopher Buckley the role St Thomas More plays in his writing I Like Being Catholic brings together the memories thought and hopes of famous Catholics and ordinary parishioners lapsed and good enough Catholics and those who have devoted their lives to the faith It captures their abiding ties to and deep affection for the Church and offers the wide ranging sometimes surprising views on the good things that come with being Catholic This is not a book of theology It is about the beauty at the heart of Catholicism It is about what Teilhard de Chardin called the chosen part of things It is about family and community the value of Catholic education the significance of sacraments and milestones and the cultural impact of Catholicism there are lists of the ten best Catholic novels the ten best Catholic movies ten Catholic heroes of the twentieth century ten good reasons to raise your kids Catholic fifty things Catholics like best about being Catholic and much more I Like Being Catholic is a book for all those who have ever called themselves Catholic It is a book of warmth affection humor and love

*The Third Force in Missions* Paul Anthony Pomerville, 2022-05-03 The Third Force in Missions challenges readers to recognize the indispensable role of the Holy Spirit as power for mission It confronts the Western mentality that ignores the miraculous in its missions strategy and the global Pentecostal movement Paul Pomerville suggests that such activity prompted and controlled by the Spirit is key to fruitful biblical missions When The Third Force in Missions was first published in 1985 Paul Pomerville sought to draw attention to the Pentecostal contribution to missions At that time he argued there was an information gap regarding the size of this movement in spite of two waves of worldwide Pentecostal renewal He argued that this gap existed because of evangelical

bias against Pentecostalism bias against charismatics in mainline churches ethnocentrism toward Pentecostals in the developing world and faulty reporting Thirty years later Pomerville once again argues the importance of the global Pentecostal movement seeking to correct the ongoing tunnel vision of world missions programs which since the Protestant Reformation have tended to ignore the Holy Spirit's work in today's missions In this book Pomerville exposes the serious methodological and theological flaws of such a one-sided position **Minnie Fisher Cunningham** Judith N.

McArthur, Harold L. Smith, 2003-10-16 The principal orchestrator of the passage of women's suffrage in Texas a founder and national officer of the League of Women Voters the first woman to run for a U S Senate seat from Texas and a candidate for that state's governor Minnie Fisher Cunningham was one of the first American women to pursue a career in party politics Cunningham's professional life spanned a half century thus illuminating our understanding of women in public life between the Progressive Era and the 1960s feminist movement Cunningham entered politics through the suffrage movement and women's voluntary association work for health and sanitation in Galveston Texas She quickly became one of the most effective state suffrage leaders helping to pass the bill in a region where opposition to women voters was strongest In Washington Cunningham was one of the core group of suffragists who lobbied the Nineteenth Amendment through Congress and then traveled the country campaigning for ratification After women gained the right to vote across the nation she helped found the nonpartisan National League of Women Voters and organized training schools to teach women the skills of grassroots organizing creating publicity campaigns and lobbying and monitoring legislative bodies Through the League she became acquainted with Eleanor Roosevelt who credited one of her speeches with stimulating her own political activity Cunningham then turned to the Democratic Party serving as an officer of the Woman's National Democratic Club and the Women's Division of the Democratic National Committee In 1928 Cunningham became a candidate herself making an unsuccessful bid for the U S Senate An advocate of New Deal reforms Cunningham was part of the movement in the 1930s to transform the Democratic Party into the women's party and in 1944 she ran for governor on a pro New Deal platform Cunningham's upbringing in rural Texas made her particularly aware of the political needs of farmers women union labor and minorities and she fought gender class and racial discrimination within a conservative power structure In the postwar years she was called the very heart and soul of Texas liberalism as she helped build an electoral coalition of women minorities and male reformers that could sustain liberal politics in the state and bring to office candidates including Ralph Yarborough and Bob Eckhardt A leader and role model for the post suffrage generation Cunningham was not satisfied with simply achieving the vote but agitated throughout her career to use it to better the lives of others Her legacy has been carried on by the many women to whom she taught successful grassroots strategies for political organizing Minnie Fisher Cunningham was the winner of the Liz Carpenter Award of the Texas State Historical Association and of the T R Fehrenbach Book Award of the Texas Historical Commission Reclamation Era , *Crash Course for the ACT* Shawn Michael
