

A woman wearing a dark, wide-brimmed hat and a dark, buttoned coat stands in front of a building at night. She is holding a small, dark handbag. The building behind her has large, arched windows that are illuminated from within, casting a warm glow. To the left of the woman, there is a street lamp with a glowing light. The overall scene is dark, with the primary light sources being the building's windows and the street lamp.
